

Michael Moka

Michael Moka is the founder of Indigenous Growth Ltd, a consultancy that empowers employees with a programme based on indigenous values. It brings indigenous values into organisations in order to tap into the leadership potential of employees. His idea is set to franchise, working with First Nations people in countries such as Canada.

Michael is proud of developing a way “we can serve our people so they achieve their potential, they get paid more, they get into leadership positions and they become role models to their kids and their family – but not at the expense of our wellbeing.”

Michael received a Bachelor of Commerce, majoring in Accounting and Marketing, from the University of Auckland.
