

ANZFPS 2021 Programme

Virtual Conference

Wednesday 1st December 2021

1.00pm	Orientation to virtual platform			
1.10pm	Mihi Conference opening address: Cathie Sherrington, University of Sydney, President of ANZFPS Ngair Kerse, Conference Convenor, University of Auckland Waipapa Taumata Rau			
1.30pm	Keynote Address: PROMOTION MOBILITY IN AGING WITH EXERCISE: ROLE OF COGNITION AND THE BRAIN Teresa Liu-Ambrose Professor and Canada Research Chair at the University of British Columbia, Director of Aging, Mobility and Cognitive Health Laboratory, Director Vancouver General Hospital Falls Prevention Clinic Chaired by Cathie Sherrington, University of Sydney, President of ANZFPS			
2.15pm	Break Connect with your fellow delegates in the Meeting Hub			
2.30pm - 3.55pm	Concurrent Video Session 1			
	Oral and 5x5 videos will play in the order displayed.			
	KEY: Oral Presentation (12min) 5x5 Presentation (5min)			
	1A	1B	1C	1D
	LEARNING MORE ABOUT FALLS IN AGED RESIDENTIAL CARE	WORKING IN HOSPITALS TO UNDERSTAND STAFF, PATIENTS AND FALLS	HOW DOES THE BODY WORK?	SPECIAL POPULATIONS AND THOSE AT RISK OF FALLS
	111. ASSOCIATION BETWEEN AMBULATION, PHYSICAL, COGNITIVE, AND HEALTH STATUS AMONGST AGED-CARE RESIDENTS - Lynne Taylor, University Of Auckland	9. UNDERSTANDING PATIENT VIEWS ABOUT FALLS PREVENTION EDUCATION DELIVERED IN HOSPITAL - Hazel Heng, La Trobe University	6. CONSCIOUS PROCESSING AND POSTURAL CONTROL: THE ROLE OF OLDER ADULTS' BALANCE CAPACITY - Elmar Kal, Brunel University London	28. FALLS PREVENTION IN OSTEOARTHRITIS: EXPLORING THE EVIDENCE-PRACTICE GAP - Sze-Ee Soh, Monash University
	53. SUNBEAM PROGRAM PREVENTS FALLS IN PEOPLE WITH COGNITIVE IMPAIRMENT LIVING IN RACF - Morag Taylor, Neuroscience Research Australia	96. PERSPECTIVES OF OLDER ADULTS REGARDING THEIR ENGAGEMENT IN FALL PREVENTION AFTER HOSPITALIZATION - Chiara Naseri, Curtin University	60. COMBINED VOLUNTARY AND REACTIVE STEP TRAINING IN PEOPLE WITH PARKINSON'S DISEASE - Paulo Henrique Silva Pelicioni, University Of Otago	33. A SYSTEMATIC REVIEW OF INTERVENTIONS TO REDUCE FALLS IN PARKINSON'S DISEASE - Natalie Allen, The University of Sydney
	87. FALL-RELATED PSYCHOLOGICAL CONCERNS IN HIGH RISK POPULATIONS - Frances Batchelor, National Ageing Research Institute	83. THE PERCEPTION OF NURSES AND PATIENTS OF FALLS PREVENTION AND RECOMMENDATIONS - Caglayan Yasan, Victoria University	35. DYNAMICS OF STEP RESPONSES FOLLOWING VARYING MAGNITUDES OF LATERAL PERTURBATIONS AMONG OLD-ADULTS - Itshak Melzer, Director Of The Rehabilitation And Movement Sciences Laboratory	105. FALLS AFTER STROKE TRIAL (FAST): UNDERSTANDING HABIT FORMATION PRINCIPLES AND INTEGRATED EXERCISE - Lindy Clemson, The University Of Sydney
	Microbreak			
	42. INCREASING FOOT CLEARANCE OVER AN INCONSISTENTLY TALLER STAIR-RISER USING A STAIR ILLUSION - Timmion Skervin, Liverpool John Moore's University	37. A QUALITATIVE EXPLORATION OF WORRIES ABOUT FALLING IN OLDER ADULTS - Toby Ellmers, Imperial College London/Brunel University London	102. LANDING SAFELY FROM ACCIDENTAL FALLS - Sana Oladi, University Of Waikato	110. AN INTERVENTION TO REDUCE FALLS AFTER STROKE: PRELIMINARY ANALYSIS OF IMPLEMENTATION FIDELITY - Ingrid Lin, Macquarie University
	95. FALLS PREVENTION IN DEMENTIA CARE: VISUAL MANAGEMENT APPROACH - Stephen Flatman, SALHN	72. CO-DESIGNING AND IMPLEMENTING IN-HOSPITAL MOBILITY PROMOTION INTERVENTIONS FOR FALLS PREVENTION (INFALLIBLE) - Sue Williams, National Ageing Research Institute	62. DEVELOPMENT AND VALIDATION OF THE FALLS HEALTH LITERACY SCALE IN OLDER PEOPLE - Mae Lim, Neuroscience Research Australia	61. THE WALKING ORIENTATION RANDOMNESS METRIC (WORM) SCORE: FALLS PREDICTION USING WEARABLE SENSORS - Pragadesh Natarajan, University Of New South Wales
	64. BACKWARD RELATIVE TO FORWARD WALKING SPEED AND FALLS IN PEOPLE WITH DEMENTIA - Annika Toots, Umeå University	101. IN-HOSPITAL FALLS NEEDS ASSESSMENT AND CARE PLANNING - Chandini Gadhvi, Adhb	117. IMPACT OF AGEING, FALLS AND EXERCISE ON POSTURAL REFLEXES: A SYSTEMATIC REVIEW - Steven Phu, Neuroscience Research Australia	21. AN INDIGENOUS SPECIFIC FALLS PREVENTION PROGRAM: VIRTUAL VS FACE TO FACE - Minh Pham, Fairfield Hospital, South Western Sydney Local Health District
15. PHYSIOTHERAPY TELEHEALTH TO IMPROVE MOBILITY IN AGED CARE (TOP UP): TRIAL PROTOCOL - Rik Dawson, The Institute for Musculoskeletal Health	38. IN-PATIENT FALLS PREVENTION PHYSIOTHERAPY LED TEAM - Chandini Gadhvi, Adhb	20. CEREBRAL AUTOREGULATION IN ORTHOSTATIC HYPOTENSION AND FALLER OLDER ADULT - NOR Saedon, University Malaya	10. A SAFE MOBILISATION PROGRAM FOR COGNITIVELY IMPAIRED OLDER ADULTS WITH GAIT DISORDERS - Weihong Zhang, The University of Sydney, Faculty of Medicine and Health	
85. FALLS IN OLDER ADULTS UNDERTAKING A FACILITY-BASED TRANSITION CARE PROGRAM - Jo-aine Hang, Curtin University, WA, Australia	84. FALLS IN PATIENTS WITH SEVERE COMMUNICATION DISABILITY FOLLOWING STROKE: A CHART REVIEW - Rebecca Sullivan, University Of Technology Sydney			
4.05pm - 4.25pm	Concurrent Session 1 Interactive Discussion Groups			
This is a chaired session where participants will be able to have their microphone and video on and ask questions live. The purpose of these sessions is to foster lively, two-way discourse between attendees and presenters. Join the session that corresponds to the video session you watched. For example, if you watched video session 1A, join the 1A Discussion Group.				
	1A LEARNING MORE ABOUT FALLS IN AGED RESIDENTIAL CARE	1B WORKING IN HOSPITALS TO UNDERSTAND STAFF, PATIENTS AND FALLS	1C HOW DOES THE BODY WORK?	1D SPECIAL POPULATIONS AND THOSE AT RISK OF FALLS
	CHAIR BY: Lynne Taylor, The University of Auckland Liz Binns, AUT	CHAIR BY: John Parsons, The University of Auckland Daniel Treacy, South Eastern Sydney LHD	CHAIR BY: Paulo Pelicioni, The University of Otago Jasmine Menant, NeuRA	CHAIR BY: Debra Waters, University of Otago Lindy Clemson, The University of Sydney
4.25pm	Virtual Exercise Break Sponsored by ACC Live Stronger For Longer			
4.40pm - 5.10pm	Poster Session 1			
	59. ACTIVE WOMEN OVER 50 ONLINE PHYSICAL ACTIVITY PROGRAM: A PILOT TRIAL - Geraldine Wallbank, Institute for Musculoskeletal Health, The University Of Sydney And Sydney Local Health District	76. ADAPTING A SUCCESSFUL FALLS REDUCTION PROGRAM TO ACUTE HOSPITAL ENVIRONMENTS: STUDY PROTOCOL - Charlotte McLennan, Institute for Musculoskeletal Health	23. OUTCOMES OF IN-HOME STRENGTH AND BALANCE FALLS PREVENTION PROGRAMME. - Tessa Small, Tbi Health	100. TRAINING CLASSIFIERS TO RECOGNIZE SLIPS AND TRIPS IN DAILY LIFE - Tania Zieschang, Carl Von Ossietzky University Of Oldenburg
	12. FALL RISK FACTORS IN PEOPLE WITH COGNITIVE IMPAIRMENT: SYSTEMATIC REVIEW AND META-ANALYSIS - Thanwarat Chantanchai, Neuroscience Research Australia	108. FALLS AS AN INDEPENDENT PREDICTOR OF MORTALITY IN OLDER ED PATIENTS - Kamali Pugazhenthii, South Metro Health Service	74. SYSTEMATIC REVIEW OF OTAGO EXERCISE PROGRAMME FOR FALL PREVENTION IN SOUTHEAST ASIA - Shyh Poh Teo, Ripas Hospital, Brunel Darussalam	114. COGNITIVE-MOTOR EXERCISE INTERVENTIONS EFFECTS ON FALL RISK FACTORS: SYSTEMATIC REVIEW AND META-ANALYSIS - Jasmine Menant, Neura
56. THE CLOSE OBSERVATION BAY, A FALLS PREVENTION INITIATIVE ON A GEM WARD - Tammy Hayward, Southern Adelaide Local Health Network	112. KIA TŪ, KIA OHO – (STAND UP, WAKE UP) - Mikaela Shannon, Ccdhb Wellington Hospital	27. AN ECOMMUNITY OF PRACTICE TO IMPROVE HIP FRACTURE CARE IN AGED CARE - Suzanne Dyer, Flinders Health and Medical Research Institute		
5.10pm - 5.40pm	Dual Plenary Session 1			
	Plenary 1: STEPPING FORWARD WITH PATIENTS Andrea Maier University of Melbourne and Divisional Director of Medicine and Community Care, Royal Melbourne Hospital Chaired by Kim Delbaere, NeuRA		Plenary 2: PREVENTING FALLS AND MANAGING INJURY IN OLDER PEOPLE WITH DEMENTIA Jacqui Close Prince of Wales Hospital and Clinical Director of the Falls, Balance and Injury Research Centre at Neuroscience Research Australia (NeuRA) Chaired by Ngair Kerse, The University of Auckland Waipapa Taumata Rau	
5.40pm	Day 1 End			

11am	Keynote Address: THE EVER-CHANGING WORLD OF DELIVERY OF FALLS PREVENTION PROGRAMMES: SHORT CUTS, MISUNDERSTANDINGS, WIDENING REACH AND THEN COVID-19 Dawn Skelton Professor in Ageing and Health, Glasgow Caledonian University, Director of Later Life Training Ltd. Chaired by Ngaire Kerse, The University of Auckland Waipapa Taumata Rau			
11.45am	Sponsor Exhibition			
12.15pm	ANZFPS AGM			
	Concurrent Video Session 2 Oral and 5x5 videos will play in the order displayed.			
	KEY: Oral Presentation (12min)		5x5 Presentation (5min)	
	2A	2B	2C	2D
	CHANGING THE WAY WE CHANGE BEHAVIOUR	INTERVENTIONS AND KEEPING SAFE	INTERVENTIONS, OBSERVATIONS AND PREDICTIONS	EPIDEMIOLOGY OF FALLS IN THE COMMUNITY
1.15pm	41. MAP THE APPS: ENGAGING OLDER ADULTS DIGITALLY IN STRENGTH AND BALANCE EXERCISES - Elisabeth Boulton, University of Manchester	97. CHANGES IN PHYSICAL ACTIVITY LEVELS AND FALLS INCIDENCE: 18 MONTHS FOLLOW UP - Azianah Ibrahim Ibrahim, UNIVERSITI KEBANGSAAN MALAYSIA	58. THE ROLE OF AMBULATORY PHYSICAL ACTIVITY IN DETERMINING RISK FACTORS FOR FALLS - Shanika Oshadi Jayakody, Albert Einstein College Of Medicine, Bronx, NY, USA	77. INCREASED RISK OF FALLS IN CANCER SURVIVORS WITH CHEMOTHERAPY-INDUCED PERIPHERAL NEUROPATHY - Jasmine Menant, NeuRA
	88. COACHING FOR HEALTHY AGEING TRIAL – A CLUSTER-RANDOMISED CONTROLLED TRIAL - Juliana S Oliveira, The University Of Sydney	104. ENVIRONMENTAL FALL PREVENTION INTERVENTIONS IN COMMUNITY-RESIDING OLDER PEOPLE: A COCHRANE SYSTEMATIC REVIEW - Lindy Clemson, The University Of Sydney	43. IMPACT OF GENDER ON THE COST-EFFECTIVENESS OF THE OTAGO EXERCISE PROGRAMME - Jennifer Davis, University of British Columbia	40. LADDER USE IN OLDER PEOPLE: TYPE, FREQUENCY AND PREDICTORS OF RISK BEHAVIOURS - Cameron Hicks, NeuRA
2.40pm	115. EXPLORING OLDER ADULT'S EXPERIENCES OF STANDINGTALL, A HOME-BASED, TECHNOLOGY-DRIVEN BALANCE EXERCISE PROGRAM - Meghan Ambrens, CQ University	48. FALLS PREVENTION THROUGH DANCE - A COMMUNITY PROGRAM CASE STUDY - Gail Hewton, Gold Moves Australia	57. ARE FALLS ASSOCIATED WITH FUTURE COGNITIVE DECLINE? - Shanika Oshadi Jayakody, Albert Einstein College Of Medicine, Bronx, NY, US	79. DIFFERENTIAL EFFECTIVENESS OF FALLS PREVENTION EXERCISE INTERVENTIONS ACCORDING TO FALLS RISK - Belinda Wang, University Of Sydney
	Microbreak			
	7. ATTITUDES AND INSIGHTS TO COMMUNITY CARE STAFF DELIVERING FALLS PREVENTION EXERCISE PROGRAMS - Elissa Burton, Curtin University	51. REASONS FOR PARTICIPATING IN A PHYSICAL ACTIVITY AND FALL REDUCTION COACHING TRIAL - Abby Haynes, University Of Sydney, Institute For Musculoskeletal Health	17. FALL PREVENTION IN PRIMARY CARE SETTING: EFFECTS AFTER 24 MONTHS [PREFALLS STUDY] - Ellen Freiburger, Fau Erlangen_Nürnberg	55. HOME CARE WORKERS SUPPORT A PHYSIOTHERAPIST LED PROGRAM TO PREVENT FALLS - Willeke Walsh, Bolton Clarke
	113. THE VICTORIAN FALLS AND BALANCE SERVICE DIRECTORY: IMPROVING ACCESS FOR THE COMMUNITY - Amy Parker, National Ageing Research Institute	45. MINIMUM DOSE OF OTAGO EXERCISE PROGRAM TO IMPROVE SHORT PHYSICAL PERFORMANCE BATTERY - Deborah Jehu, University of British Columbia	78. FALLS AND BPPV RECOVERY IN OLDER PEOPLE - Keith Hill, Rehabilitation Ageing And Independent Living (rail) Research Centre, Monash University	89. FALLS AND PHYSICAL ACTIVITY IN AUSTRALIAN OLDER WOMEN - Wing Kwok, Institute for Musculoskeletal Health
	116. TEXTING TO COMEBACK: ACCEPTABILITY AND DOSAGE OF A TEXT MESSAGE INTERVENTION - Siobhan Wong, Institute For Musculoskeletal Health	70. FALLS IN OLDER MALAYSIAN WITH DIABETES ARE MEDIATED BY KNEE PAIN - Sumaiyah Mat, Universiti Kebangsaan Malaysia	8. THE IMPACT OF THE ENJOY SENIORS EXERCISE PARK PHYSICAL ACTIVITY ON FALLS - Pazit Levinger, National Ageing Research Institute	
	24. EVALUATION OF A CLINICIAN EDUCATION PROGRAM FOR FALLS PREVENTION IN HOSPITALS - Louise Shaw, Holmesglen Institute	94. PRESCRIBING WHEELED WALKERS - CURSE OR BLESSING IN PREVENTING FALLS? - Sandra Lau, Carl von Ossietzky University Oldenburg	11. FUNCTIONAL MOBILITY IN COGNITIVELY IMPAIRED OLDER ADULTS: INTERVENTION DEVELOPMENT AND PROCESS REFLECTION - Weihong Zhang, The University of Sydney, Faculty of Medicine and Health	106. INTER-ORGANISATIONAL COLLABORATION IN FALLS AND FRACTURE PREVENTION PROGRAMME IN NEW ZEALAND - Maryam Pirouzi, University Of Auckland
2.50pm	Concurrent Session 2 Interactive Discussion Groups This is a chaired session where participants will be able to have their microphone and video on and ask questions live. The purpose of these sessions is to foster lively, two-way discourse between attendees and presenters. Join the session that corresponds to the video session you watched. For example, if you watched video session 2A, join the 2A Discussion Group.			
3.10pm	2A CHANGING THE WAY WE CHANGE BEHAVIOUR	2B INTERVENTIONS AND KEEPING SAFE	2C INTERVENTIONS, OBSERVATIONS AND PREDICTIONS	2D EPIDEMIOLOGY OF FALLS IN THE COMMUNITY
	CHAIR BY: John Parsons, The University of Auckland Chiara Naseri, Curtin University	CHAIR BY: Debra Waters, The University of Otago Morag Taylor, NeuRA	CHAIR BY: Lynne Taylor, The University of Auckland Daina Sturnieks, NeuRA	CHAIR BY: Paulo Pelicioni, The University of Otago Jasmine Menant, NeuRA
3.10pm	Virtual Exercise Break Sponsored by ACC Live Stronger For Longer			
3.25pm	Mid-Conference Coffee Club Bring your favourite brew and join other attendees in informal but on-topic conversations. Select the topic that interests you the most. You will be placed in a random group of eight delegates to chat on the topic for 15 minutes. After 15 minutes, you will be re-grouped to discuss with a new set of people. No need for prior knowledge, jump in where your interest lies.			
3.55pm	EXERCISE AND PHYSICAL ACTIVITY	FALLS PREVENTION FOR HARD TO REACH GROUPS	FALLS IN HOSPITALS BEYOND NOFS	GETTING MOBILE IN ARC
	Dual Plenary Session 2			
3.55pm	Plenary 3: WHAT ABOUT FALL PREVENTION IN RESIDENTIAL SETTINGS? Anne-Marie Hill School of Physiotherapy and Exercise Science at Curtin University Chaired by Lynne Taylor, The University of Auckland		Plenary 4: HOW EFFECTIVE IS A COMPLEX INTERVENTION IN PREVENTING FALLS IN PRE-FRAIL OLDER ADULTS? Ruth Teh The University of Auckland Chaired by Ngaire Kerse, The University of Auckland Waipapa Taumata Rau	
4.30pm	Early Career Researchers Meet and Greet			
5.00pm	Day 2 End			

1.00pm	Plenary 5: EXERCISE FOR FALL PREVENTION: TIME FOR IMPLEMENTATION Cathie Sherrington School of Public Health and Institute for Musculoskeletal Health University of Sydney and President of ANZFPS Chaired by Debra Waters, University of Otago																							
1.30pm	Break Connect with your fellow delegates in the Meeting Hub																							
Dual Plenary Session 3																								
1.45pm - 2.15pm	Plenary 6: REACTIVE BALANCE TRAINING FOR FALL PREVENTION: CLINICAL IMPLICATIONS FROM LATEST EVIDENCE Yoshiro Okubo Neuroscience Research Australia (NeuRA) and UNSW Medicine Chaired by Paulo Pelicioni, University of Otago		Plenary 7: TAURITE TŪ: RŪNAKA DRIVEN RESEARCH AND DELIVERY OF COMMUNITY STRENGTH, BALANCE AND WELLNESS PROGRAMME ENGAGING KAUMĀTUA MĀORI Katrina Bryant University of Otago School of Physiotherapy Chaired by Debra Waters, University of Otago																					
2.15pm	Break Connect with your fellow delegates in the Meeting Hub																							
Dual Plenary Session 4																								
2.30pm - 3.00pm	Plenary 8: SMART±STEP: A 12-MONTH RANDOMISED CONTROLLED TRIAL OF COGNITIVE-ONLY AND COGNITIVE-MOTOR TRAINING FOR PREVENTING FALLS IN COMMUNITY-DWELLING OLDER PEOPLE Daina Sturnieks Neuroscience Research Australis (NeuRA) Chaired by Stephen Lord, NeuRA		Plenary 9: THE IRONBARK TRIAL - HEALTH AGING IN ABORIGINAL COMMUNITIES Courtney Ryder Flinders University Chaired by Ngaire Kerse, The University of Auckland Waipapa Taumata Rau																					
Concurrent Video Session 3 Oral and 5x5 videos will play in the order displayed.																								
KEY: Oral Presentation (12min) 5x5 Presentation (5min)

93. COST-EFFECTIVENESS OF EXERCISE-BASED FALLS-PREVENTION PROGRAMMES FOR COMMUNITY-DWELLING OLDER PEOPLE: A SYSTEMATIC REVIEW. - Patrick Caldwell, Faculty Of Medicine & Health, University Of Sydney	82. IMPROVING MOBILITY AFTER HIP FRACTURE SURGERY IN ADULTS. COCHRANE COLLABORATION SYSTEMATIC REVIEW - Nicola Fairhall, University Of Sydney	49. EFFECT OF A HOME-BASED EXERCISE PROGRAM ON FALLS IN COMMUNITY-DWELLING OLDER PEOPLE - Amanda Bates, Illawarra Shoalhaven Local Health District	71. EXPERIENCES OF CLINICIANS AND OLDER ADULTS IN ASSESSING BALANCE AND GAIT REMOTELY. - Amanda Still, Otago University, School Of Physiotherapy, Dunedin.																					
Microbreak																								
3.00pm - 4.20pm	46. MINIMAL CLINICALLY IMPORTANT DIFFERENCE OF EXECUTIVE FUNCTION MEASURES AMONG OLDER FALLERS - Deborah Jehu, University of British Columbia	98. CONCERN FOR FALLING INFLUENCES QUALITY OF LIFE IN LOWER LIMB AMPUTEES - Kristin Nugent, University Of Western Ontario	107. SYSTEMATIC REVIEW & META-ANALYSIS OF EHEALTH-DELIVERED PROGRAMMES ON BALANCE IN OLDER COMMUNITY-DWELLERS - Meghan Ambrens, CQ University	67. WORKING TOGETHER TO REDUCE FALLS AND FRACTURES IN NZ - Kirsten Malpas, ACC																				
	36. ASSOCIATION BETWEEN CONCERN FOR FALLS AND WALKING AMONG PEOPLE WITH LOWER-LIMB AMPUTATIONS - Humberto Omana, The University of Western Ontario	81. INCIDENCE AND RISK FACTORS FOR FALLS AFTER TOTAL HIP OR KNEE REPLACEMENT - Anne-Marie Hill, Curtin University	75. GROUP- VS. INDIVIDUALLY DELIVERED LIFESTYLE-INTEGRATED FUNCTIONAL EXERCISE (LIFE): A RANDOMIZED NONINFERIORITY TRIAL - Michael Schwenk, Heidelberg University	47. INVESTIGATING THE RELIABILITY AND VALIDITY OF REMOTE ASSESSMENTS OF BALANCE AND GAIT - Paulo Henrique Silva Pelicioni, University Of Otago																				
	29. RECOVERY OF FUNCTION FOLLOWING NON-HIP NON-VERTEBRAL FRAGILITY FRACTURE: A SYSTEMATIC REVIEW - Suzanne Dyer, Flinders Health and Medical Research Institute	19. REHABILITATION ACCESS FOLLOWING HIP FRACTURE FOR OLDER ADULTS LIVING WITH DEMENTIA - Rebecca Mitchell, Australian Institute Of Health Innovation, Macquarie University	32. FEASIBILITY AND ACCEPTABILITY OF A MULTIFACTORIAL FALL PREVENTION PROGRAM FOR PARKINSON'S DISEASE - Natalie Allen, The University of Sydney	39. THE DEVELOPMENT OF ONLINE LEARNING FOR OLDER ADULTS. - Sophie Macdonald, Injury Matters																				
	86. WHAT'S SO GOOD ABOUT YOGA? A REALIST THEORY FROM THE SAGE TRIAL - Heidi Gilchrist, Institute For Musculoskeletal Health, The University Of Sydney And Sydney Local Health District, Sydney	25. POLYPHARMACY AND MEDICATION RELATED FALLS RISK IN ORTHO-GERIATRIC FEMORAL FRACTURE PATIENTS - Van Tran, The Royal Melbourne Hospital	16. CAN A MULTICOMPONENT FRAILTY MANAGEMENT PROGRAM REDUCE FALLS IN OLDER ADULTS? - Tim Xu, Singapore Institute Of Technology	44. BASELINE HEALTH RELATED QUALITY OF LIFE PREDICTS SUBSEQUENT FALLS - Jennifer Davis, University of British Columbia																				

Concurrent Session 3 Interactive Discussion Groups				
This is a chaired session where participants will be able to have their microphone and video on and ask questions live. The purpose of these sessions is to foster lively, two-way discourse between attendees and presenters. Join the session that corresponds to the video session you watched. For example, if you watched video session 3A, join the 3A Discussion Group.				
4.30pm - 4.50pm	3A SMORGASBOARD; OUTCOME, MEASURES AND BEYOND	3B LOWER LIMB MEDDLING, FIXING AND RISK FACTORS	3C PREVENTING FALLS IN THE COMMUNITY: WHAT'S NEW	3D DOING THINGS AT A DISTANCE
	CHAIRER BY: John Parsons, The University of Auckland Liz Binns, AUT	CHAIRER BY: Chiara Naseri, Curtin University Anne-Marie Hill, Curtin University	CHAIRER BY: Ngair Kerse, The University of Auckland Jasmine Menant, NeuRA	CHAIRER BY: Paulo Pelicioni, The University of Otago Daina Sturnieks, NeuRA
4.50pm	Virtual Exercise Break Sponsored by ACC Live Stronger For Longer			
Poster Session 2				
5.05pm - 5.35pm	34. UNEXPECTED-PERTURBATIONS DURING STATIONARY BICYCLING IMPROVES BALANCE AMONG OLDER ADULTS: RANDOMIZED CONTROLLED TRIAL - Itshak Melzer, Director Of The Rehabilitation And Movement Sciences Laboratory	73. PERCEPTIONS OF THE STEPPING ON PROGRAMME BY OCCUPATIONAL THERAPISTS IN BRUNEI - Shyh Poh Teo, Ripas Hospital, Brunei Darussalam	13. A RAPID REVIEW OF THE EFFICACY OF NON-SLIP SOCKS IN HOSPITALS - Dana Jazayeri, La Trobe University	30. INSIGHTS INTO THE DEVELOPMENT OF A FALLS PREVENTION ADVERTISING CAMPAIGN - Rachel Meade, Injury Matters
	18. DYNAMICS OF FEAR OF FALLING IN OLDER FALLERS WITH AND WITHOUT CKD - Ellen Freiburger, Fau Erlangen_Nürnberg	90. NHMRC CENTRE OF RESEARCH EXCELLENCE IN PREVENTION OF FALL-RELATED INJURIES 2021-2025: OVERVIEW - Sandra O'Rourke, University Of Sydney	99. CARDIORESPIRATORY FITNESS- RISK FACTOR FOR FALLS AND GAIT INSTABILITY IN OLDER ADULTS? - Jessica Koschate, Carl von Ossietzky University of Oldenburg - Geriatric Medicine	
	63. "IT'S A SISSY THING": OLDER MEN'S PERSPECTIVES ON FALLS PREVENTION EXERCISE CLASSES - Laura Hogue, Otago Polytechnic	65. HEALTH LITERACY AND CONCERN ABOUT FALLING IN OLDER PEOPLE: A THEORETICAL FRAMEWORK - Mae Lim, Neuroscience Research Australia	54. PRAGMATIC IMPLEMENTATION OF A VIRTUAL PHYSIOTHERAPIST-LED AND CARE WORKER-SUPPORTED PROGRAM - Claudia Meyer, Bolton Clarke	
5.35pm	Conference Closing			
5.35pm	Awards Presentation Ceremony Ngair Kerse, Conference Convenor Closing Address Cathie Sherrington, ANZFPS President Karakia			
6.00pm - 6.30pm	The ANZFPS Social Soirée BYO beverage and snacks to connect with your fellow delegates in this purely social session. Meet new people, share your funniest conference anecdotes and mingle. You'll be connected in random groups of four for ten minutes. At the conclusion of the ten minutes you will be connected with another grouping of four. There will be three groupings total. Join as many or as few as you want. Bragging rights go to the best cheese platter!			
6.30pm	Day 3 End
