For Research Fellows and Senior Research Fellows

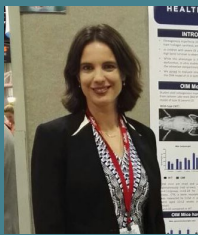

September 2018

Coffee Monday!

Warm up with a coffee and biscuits at Superfino on **Monday 10 Sep, 10.30-11.30am.**

Meet our PDS Co-President

Dr Brya Matthews is a Senior Research Fellow in the Department of Molecular Medicine and Pathology, and part of the Bone and Joint Research Group. She completed her PhD in Auckland, then spent 6 years of postdoctoral study in the USA at the University of Connecticut, working with many colourful mice. She returned to New Zealand in 2017 on a Hercus Fellowship. She is a basic bone biologist, and her research focuses on mechanisms involved in bone healing, and adult stem/progenitor cells in bone tissue. Outside of work, Brya enjoys wind surfing and paddle boarding (badly), travelling, and chatting over a glass of wine.
