FMHS Postdoctoral Society

For Research Fellows and Senior Research Fellows

May 2018

Changes to publication grant applications

Publication grants worth \$1000 each will now be awarded throughout the year, until the allocated yearly sum runs out. Your manuscript needs to have been accepted or been accepted subject to final minor revisions. You will still need to submit an application that will be peer-reviewed. [Click here](#) for a form!

Did you know?

The **School of Medical Sciences** provides for the payment of up to **two professional membership subscriptions per annum**, one national and one international, that are associated with your role in the School. Research Fellows and Senior Research Fellows included! Email Bruce Rattray (b.rattray@auckland.ac.nz) requesting approval, then attach the email reply to a p-card payment request.

Departments in SMS: Anatomy & Medical Imaging, Auckland Cancer Society Research Centre, Biomedical Imaging Research Unit, Molecular Medicine & Pathology, Discipline of Nutrition, Discipline of Oncology, Pharmacology & Clinical Pharmacology, Physiology.

There is no such scheme currently available for the School of Medicine. The PDS will be looking into this further. [Email us](#) if are a RF/SRF from the SOM if you have feedback or information.

Coffee and biscuits!

Come along to Coffee Monday, 14 May, 10.30-11.30am at Superfino. This time, there will also be biscuits! And bring your RF/SRF friends too!
