

Upcoming events

PDS Welcome Back Function

Ease back into work in 2021 with a few afternoon drinks and a catch up with other post docs. Location is Outhwaite Park, Thursday Feb 18th. More details to come.

2021 Publication Grants

The PDS is happy to announce applications are open for publication grants! Up to \$1000 is awarded per publication. This grant is offered year round. Check out our [website](#).

Next PDS Meeting

18th February 1pm, 505-212

Get involved with the PDS! Meetings are open to all research fellows/senior research fellows/lecturers/senior lecturers in the FMHS

Workshop: Introduction to sample size and power calculations for research studies

Size matters, especially when designing studies and writing grant applications. The FMHS biostatistics team is offering a workshop to help guide you through the tough questions. Topics that will be covered include: why sample size and power matter, what information you need to perform meaningful power calculations, and how to report your calculations. Included in this workshop are practical examples and a Q&A session with tea/coffee. Our first workshop of the year is going to be a good one you won't want to miss. Wednesday 10 March, 10.00-11.30 at 503-024. RSVP [here](#). Mark your calendars and check out our [website](#).

MBIE Science Whitinga Fellowships

The COVID-19 pandemic has had a direct impact on reducing opportunities available to NZ early career researchers. MBIE Science Whitinga Fellowship is a one-off funding opportunity to support the retention and development of 30 ECRs with the potential to excel in a research environment. This is a two-year Fellowship which provides funding towards the researcher's salary, organisation overheads and research-related expenses. Find out more about eligibility and read the T&Cs [here](#).

Coffee Mornings

Come meet other postdocs at the monthly PDS coffee morning. Tea or coffee is sponsored by us, but please bring your own cup. Superfino, Monday 15th February at 10.30am.
