Place: 501-011
[Register here](#) to

[attend.](#)

PDS Annual General Meeting

Come along to find out more about the FMHS Postdoc Society, you can sign up to our various committees on the day. We'll need your help electing our Presidents, Treasurer and Secretary before the AGM. Keep an eye out for your RSVP and voting information in the next couple of weeks!

Time: Tuesday 23 Jul 1-2 pm

Place: 501-505

Lunch will be provided for all attendees.

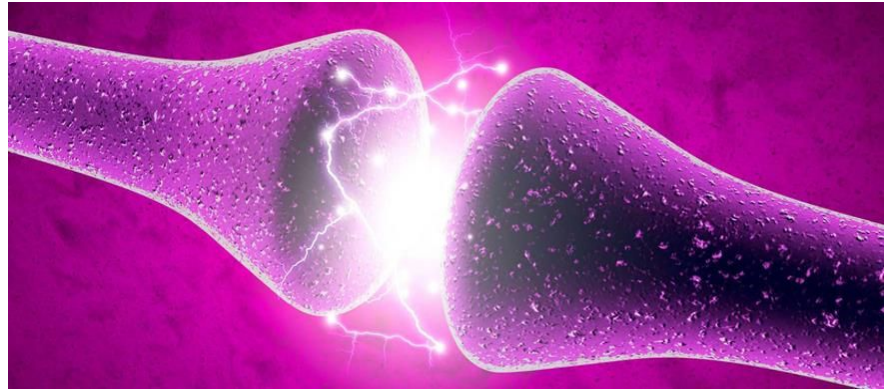

Do you use InfoEd and Research Dashboards?

If so, an information session will be held for the Ethics System Replacement project (replacing **InfoEd** with **Infonetica**), and the replacement of **BAR and SMR Research Dashboards** with **Strategic Management Reports (SMR) Research Dashboards**.

Time: Wednesday 3 Jul 10-11 am

Place: Graham Hill Lecture Theatre (599-12080)

UniServices and the FMHS Postdoctoral Society are jointly hosting a series of seminars on intellectual property for clinical and biomedical researchers

IP Commercialisation Seminar Series

All Staff and students welcome

Commercialising your Research at the University of Auckland

Thursday 18 July, 2-3pm, 501-505

Patents – who owns them, how to get one for your research

Thursday 1 August, 2-3pm, 501-505

Biotech patentability – Patenting genes, bugs and drugs

Thursday 15 August, 2-3pm, 501-505

Contact [us](#) or UniServices IP Advisor [Tim Stirrup](#) for any questions

In addition, more **COMMERCIALISATION WORKSHOPS** will be hosted by UniServices to help you transform your idea into a new and exciting venture. [Click here](#) for more information and to register by 3 Jul.

Friday 12 Jul (alternative dates 6 Sep, 22 Nov), 9am-1pm.

- You will learn what UniServices Commercialisation, Return on Science and the University of Auckland Inventors Fund can do for you.
- You will have the opportunity to talk to well networked industry advisors and gain their insight on the opportunities for your idea.
- UniServices will help you develop a business plan.
- UniServices will work with you to identify the potential commercial value, intellectual property protection, research impact, target customers, and funding sources available to progress your ideas.
- You will receive a professional review of your idea from UniServices.

Please Note: There will be **no PDS coffee morning in July**, so please join us for networking this month during SUMMIT. Coffee mornings will resume in August.
