

PDS publication grant

The last PDS publication grant for the year is still available. Up to \$1000 awarded per publication. Please note that funding received from this grant needs to be spent **BEFORE** 30th November 2019. Therefore the publication will need to be accepted by the journal by the time you submit your application. Application form and guidelines can be found [HERE](#).

Coffee Mornings

Join us at Superfino for this month's coffee morning, Wed 13 Nov 10.30-11.30am.

Image Analysis Workshop

Due to popular demand, registrations are full for the 7 Nov Image Analysis Workshop (Catching Photons to Counting Parameters) organised by the PDS, BIRU and NoBIAs. A second workshop will be organised for those who responded and cannot be accommodated.
