This abstract template has been provided both to assist your submission and to ensure a uniform style throughout the handbook. Thank you for complying with the formatting provided here. You may download this template as many times as you require. To maintain the formatting of this document you can type over the text. To follow are more detailed instructions on the format.

Abstracts must contain a title, author names, and their affiliations. The text style is as follows: the **title** is Arial, 16pt, centred, 6pt spacing before and after, single spacing between lines; the **author line** is Arial, 11pt, centred, 6pt spacing before and after, single spacing between lines, given name(s) and initials followed by last name; **affiliations** are in Arial, 11pt, centred, italic, 6pt spacing before and after, single spacing between lines; **corresponding author email address** is Arial, 9pt, centred, 6pt spacing before and after, single spacing between lines. Underline the **presenting author** name. **Indicate affiliations** for each author using superscripts after the last name. **Indicate corresponding author** with an asterisk at the end of the affiliation superscripts.

The **abstract body text** is Arial, 11pt, left-aligned, 0 spacing before and 6pt spacing after each paragraph and 12pt spacing between lines. Please feel free to include a **figure** in black and white or colour, inserted within the margins.

Reference format is given below [1]. References are in Arial, 11pt, left-aligned with 1 cm floating indent, 0pt spacing before and 6 spacing after and 12pt spacing between lines.

Please ensure your abstract is one page length. The page margins are 2.54 cm = 1 inch on each side, top and bottom. Please do not change these.
