

Domestic MBA programme course structure

MBA

BUSINESS SCHOOL

- 180 points must be taken to complete the programme.
- Courses can be taken in any order (*apart from two which have prerequisites).
- Subject to availability, you can take as many courses as you like per quarter (but we recommend no more than 30 points per Quarter for those working full time).
- You are not required to take courses in every quarter (breaks are permitted).
- You can take up to 36 months (3 years) to complete the programme (most students take 18 months; 30 points per quarter).
- In 2019, the MBA programme begins in September (Q4).
- From 2020, you may start the MBA programme in April (Q2) or September (Q4).
- Courses are valued at 7.5 points, 15 points or 30 points. The more points awarded the greater the class contact hours required.
- Payment for courses are made per quarter so invoices will vary depending on the number of courses taken and number of points per course awarded.
