Józef Robakowski made a film of his observation from his apartment window over 21 years. Draw what you'd see from your bedroom window.

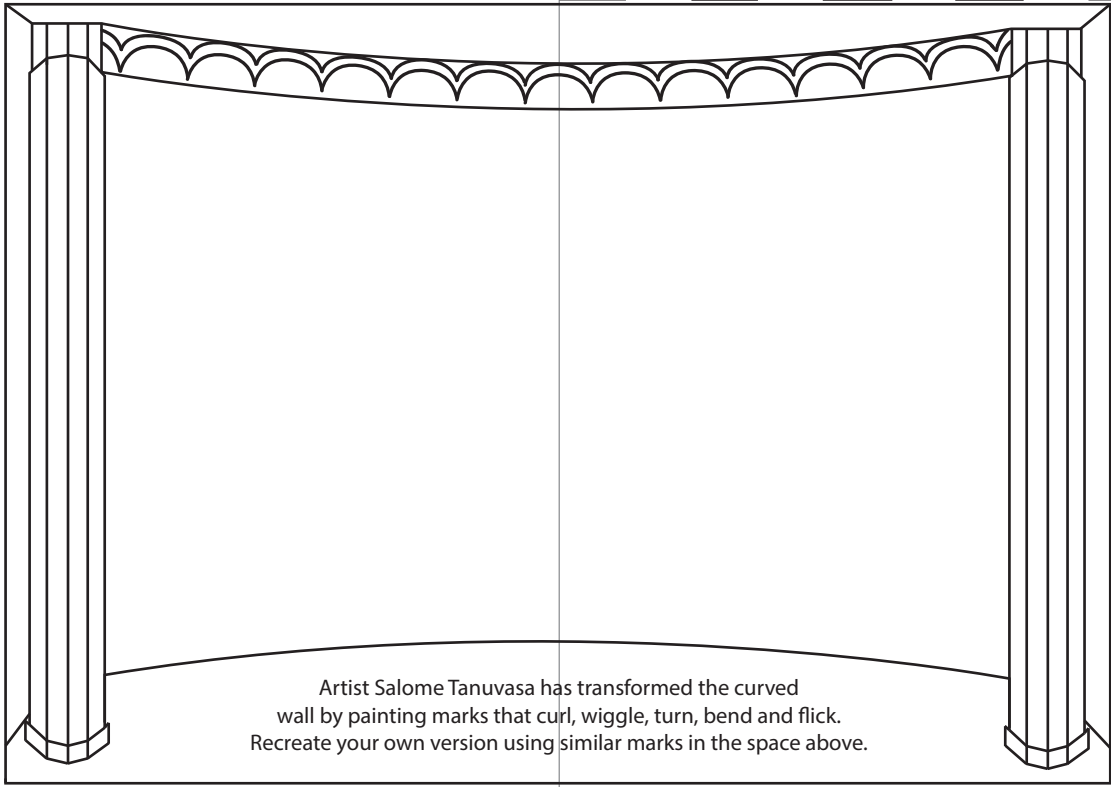

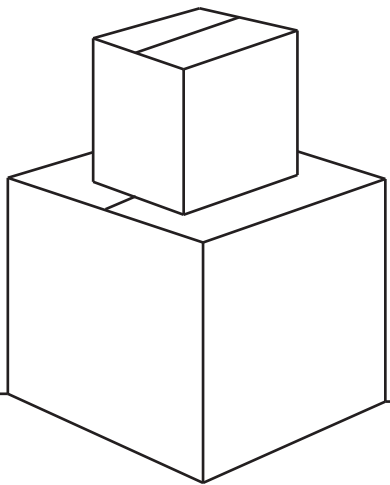

Then open me out for the final activity!

Lucy Gunning films a woman moving and climbing around a bedroom without touching the floor. Draw the ways the woman moved around the room.

Artist Salome Tanuvasa has transformed the curved wall by painting marks that curl, wiggle, turn, bend and flick. Recreate your own version using similar marks in the space above.

Jeremy Leatinu'u has made a fort using cardboard boxes. It is gigantic and fills almost all of Gallery One. Draw your dream cardboard box fort above.
