COPYRIGHT WARNING NOTICE

- ▶ In the US streaming films for teaching is considered fair use because it is transformative – used for a different purpose to the original and subjecting the films to critical commentary.
- ▶ Only use as much as you need to illustrate the point you are making
- ▶ Universities in the US argue that the virtual classroom is the equivalent to the physical classroom and there is no harm as students would not be expected to buy the video
- ▶ The University is treating the virtual classroom as equivalent to the physical classroom for the duration of the COVID 19 emergency
- ▶ Use this as a last resort.
