WHAT IS SATIS?

SATIS

SATIS (The Sports Association of Tasmanian Independent Schools) is the Association formed by AHISA Tas. to conduct sporting competitions for member schools. NSATIS and SSATIS are regional bodies which organise and conduct competitions in their respective regions.

SATIS promotes physical, emotional and social well being by fostering and administering a quality sporting programme providing competition between schools in an environment which encourages participation, diversity, integrity and sportsmanship.

The AIMS of SATIS are to:

- encourage excellence in all competitions;
- ensure that competitors and spectators have a safe environment in which to compete or view all activities;
- encourage a high level of participation by schools and students;
- provide and encourage regional and state competitions;
- provide a competition structure which recognises the changing needs of student and schools;
- encourage the enjoyment of sport that is appropriate to the age and capability of the student;
- encourage camaraderie between schools, staff, students and wider school communities;
- provide opportunities for students to represent their schools.

Refer to SATIS website for more details

SATIS REGULATIONS

These regulations govern all state wide competition.

Refer to SATIS website for more details

www.satis.com.au
SATIS REGULATIONS

Regulations contained herein are to cover the conducting of State Finals, Matches and State Carnivals. Regulations covering regional rosters will be the responsibility of the regional sub-committee and need not mirror these.

When an anomaly in regional regulations exists, SATIS regulations will take precedence.

If there is still no resolution then a meeting should be convened between the Chair, Executive Officer and the schools involved

Checklists

As from 2009 for all SATIS State rosters, finals and carnivals, the ground/venue will have been checked using the checklists supplied, and agreed to by the schools involved.

Age

Where age restrictions are in force, competitors must be under the stipulated age on January 1st of that year. At the Open level, there is no age restriction in force, provided the student concerned is enrolled at the College.

Overage students may not compete in under 16 events. This means that an overage Yr 10 student in a Yr 7-10 school may not be able to compete for his/her school.

Over age Yr 10 students in Yr 7-10 schools may compete at Open level where there are lanes/places available. Those students are eligible for records.

Dates/Venues

Dates for State carnivals and summer/winter finals will be set by a general meeting of SATIS. No amendment to dates and times or regulations governing the conduct of inter-school sporting fixtures be permissible by negotiation between participating schools, but only by the permission of the Chairperson of SATIS, and then only in circumstances deemed extraordinary.

Generally all summer and all winter finals will be played in the same part of the State and shall alternate each year. (Venues for specific sports will be determined by Host Schools and in many cases are covered by regulations contained herein.)

NSATIS and SSATIS will pay for umpires when finals are in their respective regions.

SATIS Carnivals (swimming, athletics)

The Meet Manager computer program will be used for the conduct of swimming and athletics carnivals.
Eligibility for Finals

To be eligible to play in a State Final a player must have represented their School/College in that particular sport in at least half of the roster games in that season.

Finals are for 1st Grade only. Exception - where there is a 2nds State wide roster (Australian Rules)

A player may not play in both 1sts & 2nds finals. However, if a School's 1sts and 2nds teams are both in a State Final, then all players are eligible for either final. A player having a serious injury throughout the season or for any extraordinary circumstance, may apply to the chairperson of SATIS, prior to the final, for special consideration in terms of final eligibility.

To be eligible to play in a 2nds State Final a player must NOT have played more than half the roster games in the 1sts team.

Ground Changes

Fixtures under the control of SATIS may be moved to another venue within the region if the planned venue is deemed unfit or cancelled if a suitable alternative venue is not available. Under such conditions, the host school must endeavour to inform the opposing school of the possibility of such a cancellation or transfer as soon as the possibility occurs. Transfer of fixtures between regions is not permitted.

Lightning Policy

When the gap between lightning and thunder is less than 30 seconds the competition must cease until 30 minutes after the last thunder.

Presentation of Trophies and Age Group Trophies at Athletics and Swimming

Captains (and Vice Captains) of teams will line up together at Swimming and at Athletics Carnivals. Competitors will line up in schools. N.B. This may not be possible at swimming owing to a lack of space.

At Athletics and Swimming, the names of those students breaking records on the day will be announced and those students will be asked to join the Captains.

Results at Athletics and Swimming

Results are not to be read in full at the final presentation. Schools placed fourth and below will have their place only announced. Schools placed 3rd, 2nd and 1st will be announced in that order along with their points. Schools shall only be announced in divisions in which they compete, otherwise, the name of the school shall not be announced.
Program Costs at Athletics, Rowing and Swimming

The costs incurred by a school in organising the carnival will be met by SATIS. Program production costs are for paper and "in-house" photocopying. Neither the organising school nor the Executive Officer may use an "outside" printer to produce a program without the permission of the Chair of SATIS.

Wet Weather

The following people will make up the wet weather committee: Chairperson of SATIS (or his/her deputy), the Executive Officer and the referee. In the event of voting deadlock, the Chairperson of SATIS would have a casting vote. The wet weather committee would be expected to be present prior to the start of a meeting. Any Athletics or Swimming Carnival becomes a carnival when a minimum of 75% of the events have been completed and from there on the points will stand. The deliberations of this committee would normally cover Athletics, Swimming and Rowing. Changes due to weather of any other sport would normally be at the discretion of the umpires in control of the match.

State wide rosters

a. If a game is to be re-scheduled due to School commitments, it may be done so by negotiation between the rostered schools. The Executive Officer is to be notified and the rescheduled date must be arranged prior to the rostered date.

b. The Executive Officer is to be notified of the changed date by the requesting school, for referral to the Chair of SATIS.

c. If a mutually agreed date cannot be arranged, the match will be deemed a forfeit to the non-requesting school.

d. If one School cannot play on the rescheduled date, the match will be deemed a forfeit to the other school.

e. If both schools mutually agree to share points for a non-match, that is acceptable as an agreement between the two schools.

Trophies

From 2010, schools are accountable for all trophies won at SATIS events, and if a trophy is missing the school concerned will pay for a complete replacement.
SATIS Code of Ethics

This Code applies to all competitions.

The Association of Heads of Independent Schools of Tasmania through its constituent body, the **Sports Association of Tasmanian Independent Schools**, adopts the following principles, procedures and rules for the conduct of all sporting competitions in which its member schools take part:

*(For the purposes of the following statements, sporting competitions shall mean those fixtures in which a member school takes part or in which teams bear the name of a member school.)*

1. Breaches of this Code of Ethics considered appropriate by the Chairperson of SATIS for action, will be referred to AHISA(Tas.), which on the vote of Heads, will decide a course of action.

2. All competitors in a sporting competition shall be bona fide full time students of the member schools participating.

3. Age groupings for SATIS fixtures will be based on the age the competitor has turned by 1st January of the year during which the fixture takes place.

4. Changes to this Code of Ethics may be made on the vote of member Heads of AHISA(Tas.) and as such are not matters affecting the Constitution of SATIS.

5. Sporting competitions conducted under the auspices of SATIS, wherever possible, will not occur during normal teaching hours, and wherever possible will avoid circumstances whereby significant teaching time will be lost by competitors having to travel to venues on a preceding school day.

6. If a coach of a school team is not a member of the teaching staff, a member school will nominate a member of the teaching staff as manager/coordinator of the team or sport involved, who will have responsibility for the enforcement of the SATIS Code of Ethics. It is not sufficient nor in keeping with the spirit of this principle, that the Head of P.E. or Sports Master or Sports Mistress of a school act in this capacity for all sports in that school.

7. The highest standards of dress by competitors will be enforced by each member school. Competitors will wear the correct school colours in the recognised design of clothing and equipment appropriate for a particular sport.
8. Heads of schools and SATIS delegates in schools are obliged to ensure that the Code of Ethics is known, respected and enforced by all managers and all coaches of all teams. They are further obliged to insist to parents, former students and visitors that the spirit of the Code be adhered to, and consequently will accept responsibility to SATIS for any breaches of the Code by such groups.

9. Students should be required to give such reasonable time each week to training for sporting competitions which maintains a balance with time allocated to study, religious activities, family responsibilities and social activities. SATIS Sporting competitions or training will not occur on Sundays.

10. Member schools will not negotiate independently of SATIS any change or modification to arrangements or agreements reached by SATIS.

11. Membership of SATIS does not preclude a school from participating in sporting fixtures organised by other associations. The SATIS Code of Ethics, however, remains enforceable upon a member school in such circumstances.

12. No alcohol shall be on sale at any SATIS sporting fixture, or consumed under the auspices or patronage of a member school at a sporting competition. Member schools, however, respect the rights of parents and visitors in this matter but will insist upon discretion as appropriate to the occasion.

13. At finals (State and Regional)
   a) the Head or a nominated representative from participating schools shall attend
   b) spectators will not encroach onto playing areas during breaks of play

14. The SATIS Code of Ethics (Short Form) printed below is a description of behaviour and attitudes at sporting competitions consistent with the spirit of the SATIS Code of Ethics. This is the version which should be printed on programs used for SATIS Finals, Carnivals, etc.

15. Members reaffirm that sporting competitions remain part of their educational programmes only to achieve educational gains. These include the growth of students' self esteem, increasing the knowledge of their strengths and weaknesses and the enhancement of the corporate spirit of the school.

At all times, the sporting life of the school is to be kept in balance with those other domains of growth in the development of the whole child to which member schools of AHISA(Tas.) are dedicated.
SATIS CODE OF ETHICS

SHORT FORM FOR STATE FINAL PROGRAMS

ALL SCHOOLS AND COLLEGES SHOULD COMMUNICATE THIS CODE TO THEIR COMMUNITY IN APPROPRIATE COMMUNICATIONS

The following is a description of behaviour and attitudes at sporting competitions consistent with the spirit of the SATIS Code of Ethics (Amended 12/8/2004):

1. All conventions of courtesy associated with a sport are emphasised in the coaching and management of a team.

2. Schools show courtesy to visiting players and spectators. Visiting teams will be punctual and are welcomed by the host school.

3. Visitors respect the host schools’ premises and rules in relevant matters such as parking, tidiness and access to buildings, playing areas and change rooms.

4. Competitors wear the recognised uniform and use the accepted equipment for each sport. Correct school colours are worn.

5. Coaches and/or managers of teams introduce themselves to opposition coaches or managers prior to the commencement of any fixture.

6. All behaviour, including language, on and off the field, by players and supporters is of the highest standard. School and match officials are expected to take action should this not be the case.

7. Decisions by the umpire are accepted without dissent or comment by players, coaches and spectators.

8. Only those designated by schools as coaches or officials are permitted to coach during the game. They must do so within the regulations of the particular sport.

9. The use of noise or comment which intimidates is unacceptable.
GUIDELINES
FOR HOSTING
SATIS FINALS

Refer to SATIS website for carnival specific sport regulations. www.satis.com.au
Guidelines for Host Schools/Carnival Organisers

- An invitation should be extended to the Chair of SATIS and/or the Regional Sub-Committee Chair for the presentation of shields
- Provision of practice facilities for the visiting team
- Welcome to travelling schools
- Rotation of positions of school teams at sporting venues with a mixing of Northern and Southern schools
- Introduction between coaches and umpires
- 1sts finals should commence where possible at 2.00 pm with 2nds finals starting sufficiently early to allow this to occur. Exceptions are Tennis which starts at 10.00 am and Australian Rules which have set starting times according to the availability of umpires and referees
- Provision of public address system (where required)
- Provision of scoring facilities and official scorers
- Provision of half-time refreshments and/or lunch
- Medical provision to be appropriate for the event
- Program, including up-to-date Code of Ethics
- Assurance that provision of venues for the Finals will ensure uninterrupted play for the appropriate length of time (this is particularly important where non-school venues are being used) Organisation and co-ordination of appropriate after-match 'get together' which may include more than one sport and possibly boys and girls. This co-ordination should perhaps be organised either through the Regional Sub-Committee of SATIS or between the host schools
- Notification to travelling schools of intended after-match arrangements
- Co-ordination of trophy collection and distribution to venues (trophies should be brought to the SATIS Meeting preceding the finals/carnival).
- Notify media of events in advance to ensure coverage.
- Provide the umpires/referees/officials with a copy of the relevant SATIS regulations prior to the competition.
- The provision of lunches at SATIS Carnivals will be for officials officiating at the Carnivals, as well as Principals and SATIS Delegates. Schools may request extra lunches to be provided. Any extra lunches requested will be charged to individual schools.
SSATIS
GENERAL
REGULATIONS

These regulations govern all SSATIS competition.

Refer to SATIS website for more details

www.satis.com.au
SSATIS

General Regulations

1. Regulations

a. Each SSATIS sport has a set of sport specific regulations (see website for more details)

b. Only SSATIS delegates within each school should contact the SSATIS Convenor regarding rosters or ladders.

c. All SSATIS related correspondence between schools should go through the SSATIS delegates and not individual members of school communities.

2. Rosters

a. Individual School entry form to be emailed 2-3 weeks prior to start of season.

b. Schools to return entry form by closing date as stated on form.

c. Extra entries are not permitted after closing date.

d. Rosters collated for rounds 1 and 2 and emailed to schools 1 week prior to round 1.

e. Schools have 48 hours after 1st round to withdraw teams, but additional teams cannot be entered except in exceptional circumstances outlined by SSATIS Convenor.

f. Complete roster to be emailed to schools after round 2. (All published rosters to be dated.)

g. If 8 or more teams are entered in any roster there shall be 2 divisions/pools.

h. Where a school enters 2 or more teams in any roster one team must be nominated for Division 1.

i. Schools must supply enough grounds / courts for the amount of teams entered, i.e. 1 ground for 2 teams (remembering that year groups play on the same night). It is the responsibility of the school to book additional grounds / courts if they have entered additional teams.

k. A supervising adult over the age of 18 (not a current student) must be provided by each team and must attend the game for its entirety. Teams not accompanied by a supervising adult will forfeit the roster game. Warm-ups/Games will not commence till a supervising adult arrives.

l. Schools may request a bye for school camps etc, however in some cases this may not be possible.

m. If a school plays an ineligible player in any team the fixture shall be forfeited to the opposition.
n. Coaches are allowed to umpire games / matches; however, they can only provide instructional advice to educate the participants in learning the rules of the game. They may not provide coaching / strategy advice during game/ match time, with the exception of recognised breaks.”

3. Finals

Qualifying Players for Finals
To qualify to play in a final a player must have played at least half of the roster matches played by the team contesting the final. In the event of "qualified" players being unable to play, schools may request dispensation from the Chair of SSATIS for a replacement. Replacement players are not to be of a higher standard than the competition they are entering.

a. A final will be played between 1st and 2nd teams on the ladder at the end of the season. This applies to all rosters. If pools/divisions, crossover finals must be played.

b. Where possible, umpires will be independent for all 1st Grade finals.

c.i. For 1st Grade: In the event that two teams tie on points at the completion of the roster (Match Ratio will be used to determine ladder positions), and in the event that a Final cannot be played by the rostered date, the premiership will be determined by percentage (points for and against). If still tied the premiership will be determined by points awarded in matches between the two teams and then percentage. If still tied then a play off shall be held at a mutually acceptable time and venue. If schools cannot agree, the matter will be referred to the Chair of SSATIS.

ii. For Y7-10 rosters: In the event that two teams tie on points at the completion of the roster (Match Ratio will be used to determine ladder positions), and in the event that no Final can be played by the rostered date, the premiership will be determined by percentage (points for and against). If still tied the premiership will be determined by points awarded in matches between the two teams and then percentage. If still tied the premiership is shared.

d. Drawn Grand Finals

i. For Years 7-10 and 2nd Grade the teams should share the premiership.

ii. 1st Grade should play extra time where possible within the guidelines of a particular sport, otherwise the team on top of the ladder at the end of the roster shall be the winner.

e. Washed Out Grand Final

i. 1st and 2nd Grade (see sport specific regulations)

ii. For Years 7-10 the final shall be shared.

The team higher on the ladder shall go through to the Grand Final.

NOTE: In sporting rosters conducted by SATIS in which only two teams are entered and which culminate in a State Final, a best of five match series will be played to determine the State Finalist.

4. Grand Final Venues

The best available venue should be used for 1st Grade.
The higher placed team, at the conclusion of a roster of the teams contesting a Grand Final will select the venue for Grand Final.

5. Points Allocation

a. Point score

The point score for all rosters except tennis will be:
Win/Forfeit = 5
Draw = 3
Loss = 1
Washout = 3
Forfeit against = 0

*Tennis points.

Win = 2 Points + 1 point for each rubber won
Draw = 1 Point + 1 point for each rubber won
Washout = 4 points NB - A washout equals a draw.
Loss = 1 Point
Forfeit = 8 - 0

b. Match Ratio will be used to determine ladder positions.
Match Ratio = points scored divided by matches played

c. Results are to be sent to the SSATIS Convenor by 12 noon on the Tuesday following the match.

d. SSATIS score books are available for netball, soccer, basketball and tennis.

6. Cancellations and Forfeits

a. The home team will notify the opposition school as soon as possible of any cancellations. (Contact school office and delegate)

b. In the event of wet weather and no overall cancellation of matches, the decision to play will be left to the coaches of each team. If at least one coach considers conditions are too dangerous for play that game will be declared a washout.

c. Midweek matches are to commence as close as possible to rostered time. If players are not in position to commence matches 15 minutes after the rostered start time, the team will forfeit the match

7. First Aid at Venues

Each school is responsible for supplying each team with a first aid kit and cold pack.

8. Carnival organisation

a. There will be a stated date for close of entries for swimming, rowing and athletics and no additional entries will be accepted after that date.

b. Results

Results are to be emailed to schools.

b. Uniform
If a school is unable to outfit teams/individuals in accepted school uniform the Chair of SSATIS is to be notified prior to the event. Sub-committees will then be notified.

c. Program and other expenses

The costs incurred by a school organising carnivals will be met by SSATIS. Program production costs are for paper and "in-house" photocopying.

d. Wet weather committees

For cross country and athletics carnivals a wet weather committee shall be appointed. Should this committee consider it impossible to conduct the meeting as arranged it will recommend alternatives to the association. (see sports specific regulations)

9. General playing regulations

a. If a player is named as a starting player in a first team, then until that team plays again, that student may not play for a lower team. A player who is named as a substitute for a first team, and who does not take the field in the first half, except in the case of injury, may play for a lower team the following game.

b. A player listed in a 2nd team, either as a player or a reserve, may not play for another team in that same division. Where a school has two teams in a roster, players must be registered for and play with one team only.

c. In the event of extraordinary circumstances arising, which are not addressed by the above regulations, application can be made through the SSATIS Convenor to the Chair of SSATIS for consideration.

d. In all rosters, students can play up from their registered team but once they have played for three matches they cannot play down.

e. Criticism of umpires/referees by players will not be accepted. An umpire may eject from the court/field a player who infringes in this regard.

f. All players must wear the approved school sports uniform (see uniform Register)

g. Players, coaches and spectators are required to abide by the SATIS Code of Ethics.

10. Trophy Register Form

All schools are provided with a trophy register form at the beginning of each term, these must be filled out when either receiving are passing on a trophy to another school. The form must then be forwarded to the SSATIS Convenor at the end of each term. Any trophy that is lost will be replaced at the cost of the school at fault.

**SSATIS Convenor to keep updated trophy register.**

• First Aid review services of EMST
• Make sure that all schools receive clear instructions of the course and go through these with their athletes.
• All schools must supply 2 Officials for the whole day, CoEd Schools to provide 3 - 4 Officials?
• Tents to all be on the same side of the fence and move the finish line into the middle of the oval.
• More room at the finish line for athletes to remove their chips
• Disqualification and protest forms to be given to schools prior to the commencement of the event.
• Possibly look at implementing records for 2011, however the course would need to be the same.
• Uniform check – students in the incorrect uniform are not to be given permission to start the race.
• More marking flags along side the tape to show course
