SOUTH AFRICA SERVICE TOUR GUIDE

RAISING AWARENESS IN OUR GLOBAL COMMUNITY
VISION

The service tour to South Africa is committed to immersing our students in cultures that are different from their own whilst using soccer, ‘The World Game’, to drive social responsibility initiatives. The tour recognises the School’s strategic intent in ‘Changing the world one mind at a time’.

We see that there is a demand for our students to become global citizens where they are exposed to life beyond the borders of Western Australia and indeed are part of the Indian Ocean Rim. South Africa forms part of the Indian Ocean Rim and has the capacity to allow our students to embrace different cultures whilst serving God.

Students will benefit in the following ways:

• Cross cultural exchanges encouraging diversity and tolerance
• Sport being seen as a vehicle for building relationships
• Leadership skills being developed through soccer clinics
• Financial management skills through fund raising
• Appreciation of a global perspective on life
• Strengthening of faith through service
