Please answer the following questions regarding the applicant. Should you wish to do so, these questions may instead be answered in a letter of recommendation format.

1. Please address the applicant's academic and research performance (if applicable) based upon your previous experience with the applicant.
2. At what intellectual level do you hold the applicant in reference to their peers? How mature are they?
3. How would you rate the applicant's potential to successfully conduct and complete an independent research project?
4. To your knowledge, what is the applicant's commitment to a career in science? What are their academic goals?
5. Any additional comments about the applicant.

Thank you for your comments and supporting the applicant's submission. Electronic signatures are accepted. Please use Adobe Acrobat Reader to fill in the form and ensure the data is visible in the document.

Applicants are responsible for uploading this document with their application.
