Sharpen your presentation skills and SHARE your research more effectively!

All PhD students from the Centre of Mental Health and Centre Health Policy are invited to present a compelling speech on their thesis topic and its significance in only 3 minutes.

Then join supervisors and students afterward to network. Following the presentations, there will be an opportunity to network with other graduate researchers and supervisors in the Hub on Level 4.

Drinks and nibbles will be provided.

Students please RSVP to: gemma.catley@unimelb.edu.au by Friday 21 August.
