

CENTRE FOR EPIDEMIOLOGY & BIostatISTICS

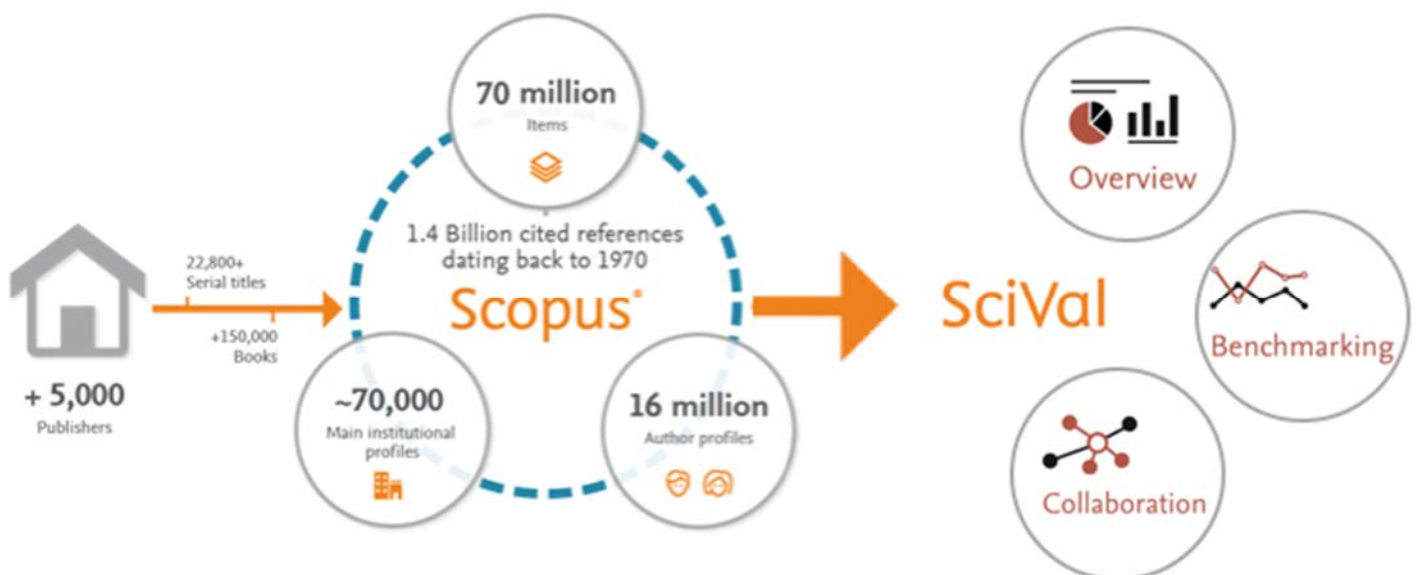

Seminar

Scopus and SciVal Essentials

Lindy Cochrane, Liaison Librarian (Research Support), MDHS

This session will provide an overview of the essential features in Scopus and then focus on the research performance and benchmarking tools in SciVal.

Scopus is one of the largest abstract and citation databases of peer-reviewed research literature. SciVal draws upon Scopus data to report on research performance, benchmark relative to peers, develop collaborative partnerships and analyse research trends.
