**HAIR**

the american tribal love-rock musical

at the union theatre, melbourne uni

27 july to 5 august 1989 at 8 pm every night except sunday

tickets \$10, \$6

bookings 344 6975 or bass 11500

**HAIR** is all about the hippies before they became yuppies.

**HAIR** is wild.

**HAIR** is rock music.

**HAIR** is anti-war.

**HAIR** is the american tribal love-rock musical

**HAIR** is back!

**HAIR** the age of love, sex, sharing, friendship, peace-loving tribebrothers and tribesisters trip their way to hippie heaven in a celebration of sexuality and sunshine. a rainbow of american flower children joining hands against racism, the vietnam war, the consumer society and narrow-minded bigotry masquerading as patriotism. a psychedelic synthesis of songs including "aquarius", "i got life", "hair" and "let the sunshine in"

book and lyrics by james rado and gerome ragni.

music by galt mac dermot.

directed by guy le couteur, music director nick bailey.

designed by jon lynch, lighting design by liz pain.

this production of HAIR has been generously sponsored by SUNSILK
