

Slide number	What I am seeing, thinking ,feeling	My conection,T2W,T2T,T2S
1	Feel very sad for those people that are living in those streets. I see lots of tents squished up with their tents. Dark gloomy. Loony.	T2T I am making a text to text connecting with boy over bored. In the picture it is showing that the deserts are hot and very dry and in the book Jamal talks about it being very dry and that there family are covered in dust
2	There are lots of country's around Athgandstand	T2W Text to world We know Athganastand is quit close to India
3	I feel sad for those people that have lost their houses	T2S Thier have been lots of wars going on and lots of ruins. I have had to da with things like this with the ruins.
4	I think the people that have lost their house will be very sad.	T2T Ther have been wars in the book boy overboard as well
5	I feel sorry for the kids that have had to move out of the rehouse and on to the street	T2W Lots of houses now are made of bricks but some houses can be made of mud like this one
6	I think some of the younger people like kids are scared to live in a hole	T2W Lots of people now make hols in walls to hide in and most people find these homes and destroy them.
7	I think people are dying from some of the toxic water	T2S I have had to drink water like that in the past.
8	I think people may be sad to leave valuables behind.	T2T People become refuges by leaving there country to be safe, It is a connection with the book boy over bored when Jamal and Bibi have to leave Athgandstand
9	I feel very sorry for the people that have to live next door to others and listen to their noise	T2W Lots of people around Australia have to live In tents to live.
10	I feel very sorry for the people that have lost their mum or dad.	T2S I have lost my parents before and struggled to find them
