BYOD Parent Information Session Evening

Dear Parents/Carers,

On Wednesday 6th November we are holding a parent information session outlining key information related to our BYOD Technology Programs for 2014.

These sessions are aimed at supporting families who will be involved in our 2014 BYOD Framework of Technology Integration for the first time. This primarily affects students in year 1 and year 6 for 2014, as well as new families entering the college in years 1 – 2 and 6 – 11.

During each of these sessions we will be focusing on the following:

- The increasing trend of BYOD in education and why this taking place
- How the integration of a BYOD framework at MLP12C has been developed and how it has supported student learning
- Ways in which the college can support families within the BYOD framework

Two sessions are being coordinated on the night. The location and times for these are as follows;

When: Wednesday 6th November
Time: Session 1: 5:00pm – 6:00pm
OR
Session 2: 6:30pm – 7:30pm
Where: Eyre Resource Building

If you have any questions or queries, please contact me via the college office on 9741 4202 or email on contact@manorlakesp12.vic.edu.au.

Thank you,

Corrie Barclay
