Principal’s Report

This week at Labertouche Primary School we have hosted two groups from Bunyip Kindergarten, one on Wednesday and one on Friday. Once again our students have had leadership opportunities by exhibiting our school values when assisting the kinder kids to complete activities and to navigate around our school grounds during recess. Our students have again met our high expectations by making the kinder kids feel welcome and at home, whilst still giving some guidance where necessary. Well done.

I will be taking long service leave for the last nine days of this term. All staffing arrangements for this period of time have been finalised; with confidence I can assure everyone that there will be minimal disruption to our finish to term two.

On Thursday our school represented the district in a joint small school venture with Jindivick Primary School at Bellbird Park in Drouin. Although the students didn’t win on the day, Mrs. Blackley and Mrs. Smart reported that all of our students had a great time and were excellent ambassadors for Labertouche Primary School. Apparently everyone was a bit tired and a little muddy at the end of the day.

Thank you to Sally Cook-Whiting for again assisting with transport for the football. Hopefully our students realise how lucky they are!

Thank you to Brendan Ketteringham. Brendan retrieved a ball from our roof. Apparently Jack managed to kick his football up there, and at the same time Brendan discovered the best part of a sports store worth of balls. I hope our students find the time to say ‘thank you’ when the opportunity arises.

Students and Kinder children had a great time this week. Here are some photos of the day.
Senior and middle grade students have again been presented with tasks linked to Star Wars. Texts introduced have been easy reads designed to assist with developing character profiles. These have included, ‘What is a Wookie’ and ‘The Force Awakens – New Adventures’. These books give small ‘snapshot’ information and profiles which are great for small projects.

Students in F-2 classes completed tasks about the famous Paddington Bear. The activity/discussion was driven by the reading of Michael Bond’s ‘Paddington in the Garden’. Children enjoyed the quiet humour in the story and were able to utilise known and learned information to complete their tasks. All students were able to grasp from the story that good solutions or outcomes can be made from initial disasters. Also a little co-operation along the way can also help.
