PRINCIPALS REPORT

Staff are busily writing reports and preparing for the end of year concert and presentation evening. Please be mindful that as the year draws to an end, students, parents and staff can all become worn down. Students, in particular, become more susceptible to emotion, and this can lead to questionable decision making. Respectful behaviour and high standards are still the best way to reinforce the sorts of behaviours that reflect the school values of Learn, Care, Respect and Share. Staff will be keeping a close eye on how students are coping with the increased heat and the length of the final term, and hope that together parents and the school can support students through this time.

Just a reminder that the final regular school council meeting is scheduled for this Monday the 21st of November.

Hopefully our Year 3 and 4 students have had a great time at Kanga 6’s today. I look forward to the full report in the newsletter next week. Thank you to all of our parents that have assisted with transportation to Kanga cricket today.

Thank you to our lunch ladies Michaela and Linda yet again for Lunchies last week.

Please note that Lunchies forms are attached to the newsletter for your convenience, and more hard copies are available from the office as needed.

Riley was entrusted with Super Monkey this week, they look like they had a great time!
LITERACY

After discussing and learning about the components of an information report, students were asked to write a report on a topic they were interested in. This week students have published their information reports after revising their draft copies. Students focused on VCOP components, on using paragraphs, sub-headings and being able to edit their work to improve meaning.

COOKING

This week students enjoyed cooking mini quiches and berry smoothies! Even after our cooking, the students noticed there are still quite a lot of eggs currently in the kitchen fridge. If anyone would like to purchase our current oversupply of eggs, come and see a staff member. After cooking, students wrote a procedure piece on what they had cooked. It was tricky to remember all the ingredients and quantities!
REMINDER
Just a friendly reminder that all report folders need to be return to the office please.

Also, could all MARC Van books be returned as soon as possible please.

BOOK CLUB
Book club is due back on Tuesday 22nd November. Parents may now order through the “LOOP” in Book Club.

PREP / GRADE 2 NEWS
COOKING
Last Friday in cooking we made tacos! The students yet again did a fantastic job of working together and creating delicious food. Some of the students’ added broad beans from the school garden into their meat mixture. A big thank you to Jodie for helping us in the kitchen.

NUMERACY
In maths we have been learning to tell the time. The students enjoyed using (or more accurately eating) tic tocs for practice.

PREP TRANSITION DAY
On Tuesday we had our second prep transition day. Hanna and Tahlia had no trouble joining in with the Foundation-2 class. The whole class made kites and had fun flying them outside.

SUSTAINABILITY
Students have continued with their creativity in ‘making something new out of something old’. Luke M took a practical approach and created a container out of an old orange juice bottle for us to use in the classroom. Peaches and Sophie went down the more artistic approach and made a robot out of an old shoe box and a bug out of a toilet roll. Well done to all students who have tried to re-use recycling for a new purpose!

CONCERT COSTUMES
For the concert costume this year the junior students will need to be in all black. This can be plain black shorts or pants and a black t-shirt or long sleeved shirt. Any questions please don’t hesitate to contact me.
