Principal’s Report

Not much from me this week. Well done to everyone involved with Labertouche Primary School for the fabulous way that a very challenging, and short, term has been completed. Our students have lived our school values and our school and community are much the better for it. Have a safe and happy holiday break and we look forward to seeing everyone in Term 2.

The Junior Sports Day at Jindivick PS was great fun for everyone from the photo evidence. Thanks to Jindivick PS for hosting the day.

OVERNIGHT CARER NEEDED

If you know of a responsible, mature adult who is able to collect a 12 year old boy from school on Thursday afternoons and look after him overnight, take him to school on Friday mornings and care for him after school on Fridays until 6.30pm, please contact Ilana on 0427599090.

References will be required and a valid Working With Children Check must be held. Further details will be discussed upon interview.

Sun Smart reminder

This is just a quick note to please remind children and families to continue using sun protection throughout the term break and for a few weeks in term two.

UV levels are still above three so please continue to Slip on sun protective clothing, Slop on SPF 30 or higher sunscreen, Slap on a wide brimmed hat, Seek shade and, if practical, Slide on wrap-around sunglasses until the end of April.

Please check the daily sun protection times to be sure. These are available on the free SunSmart app and widget, in the weather section of the newspaper or at sunsmart.com.au

Even in the cooler autumn weather, that UV exposure all adds up.

School Council Elections

Upon reviewing the term dates for our current School Council members, we have identified that two positions will be available from Term 2, 2016.

Parents have such an important part to play in schools and we encourage any committed parents to consider becoming involved with the school council. School council are involved in making sure that the governance of the school is conducted according to Department of Education regulations and driving the vision and future of direction of the school. School council members are elected for approximately a two year term in the elected parent member category. All parents or guardians of students enrolled at the school are eligible to nominate as parent members, and to vote, should there be an excess of nominations.

Please note that all elected council members are expected to attend the majority of the meetings; when a member consistently cannot attend council meetings unwarranted pressure is placed on other council members. Please consider this before nominating.

Meetings are currently held twice per term on Monday afternoons at 3.45pm.

The school will hold the AGM for the calendar year of 2015 during Term 2, during which time council members will be asked to nominate for the pivotal role of School Council President.

Nomination forms are available from the office. Completed nomination forms should be returned to Mr Ingram. Ask at the school for help if you would like to stand for election and are not sure what to do. If there are more nominations received than there are vacancies on council, a ballot will be conducted two weeks after the call for nominations has closed.
Labertouche Badminton Club is looking for new players this season for both the Junior and Senior divisions.

No experience is necessary as we cater to all abilities, so if you are school age and older, why not give it a go or get back into it again if you’ve had a break.

Training is on a Monday night and will commence this coming Monday the 21st of March at the Labertouche Hall.

Times: Juniors will be from 6:00pm

Seniors will be from 7:00pm onwards.

For information please contact Club Secretary Sandra Ottrey on 0438 582 921 or Treasurer Ian Box on 0419 561 423
