

THE ZOO FUN

“Mum can we please go to the zoo?” asked Stephanie. Mum agreed and the whole family headed there together.

*Stephanie’s brother went to see the loins whilst Stephanie went to feed the penguins feed the penguins. All of the sudden a storm started. The penguins were very LOUD before the storm had come and Stephanie had named one of them. She was calling it ‘Cutely’. She was just about to feed it when **FLASH!***

Stephanie looked at her hands but they were flippers and in her mouth was a fish. “Yuck! That’s gross”. Stephanie realised that she had turned into the penguin. She spat out the fish and tried to slide down an ice berg. “Weeeee, this is fun!” Stephanie thought.

*All day Stephanie played on the ice and in the water but she refused to eat any stinky fish. Then another storm started and **FLASH!***

Stephanie was out of the enclosure and lying on the ground. Mum looked confused. “What are you doing?” she asked. Stephanie tried to explain that she had been changed into a penguin by the lightning. “As if,” laughed her bother and mum just rolled her eyes. Neither of them believed her but Stephanie knew the truth.
