Connector

Your role is to find connections between the text your group is reading and the world around us.

This means connecting the reading to:

- your own life
- similar events at other times and places
- things happening at school or in the community
- other people or problems that you are reminded of

You might also see connections between this text and other writings on the same topic, or by the same author.

There are no right or wrong answers - whatever the reading connects you with is worth sharing!
