Literature Circles
@ apollo

Your role is to develop a list of questions that your group might want to discuss about this part of the book / text.

- You need to help others in your group talk about the 'big ideas' in the reading and share their ideas, thoughts and feelings.
- You can take notes as you read, this will help you develop your questions.

Here are some ideas:

- What was going through your mind whilst you read this section?
- How did you feel whilst reading this part of the book?
- What was discussed in this section of the book?
- Can someone summarise briefly what happened?
- Did your reading remind you of any real-life experiences?
- What questions did you have when you finished this section?
- Did anything in this section of the book surprise you?
- What are one or two important ideas from this section?
