

# Predictor

Literature Circles  
@ apollo

**Your role is to predict what may happen in the next passage or chapter.**

**Think about what you have read so far and think ahead. Try to imagine what will happen next in the story.**

- What will the characters do?**
  - Could there be a twist?**
  - Will the setting change as the story develops?**
  - What evidence suggests that this may happen?**
- 
- Use the title, subheadings or illustrations and your background knowledge to predict what the contents of the text may be.**
  - Invite the group to add to your predictions and ask for a brief explanation behind their reasoning.**
    - Do they have different ideas?**
    - Do they agree with you?**
