Rationale:

- It is expected that uniform be worn. It reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Uniform Policy.

Aims:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the school in the community.

Implementation:

- School Council has developed a Uniform Policy that we believe provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
- The Uniform Policy applies during school hours, while travelling to and from school, and is strongly recommended when students are on school excursions.
- The only headwear that is acceptable is Sunsmart hats consistent with our Sunsmart policy. They must be worn outside in terms 1 & 4. Hats are not to be worn inside.
- Parents and Friends Association will assist in second hand uniform sales when required.
- The student Uniform Policy, including details of uniform items and the place of purchase, will be published in the newsletter at the start of each year.
- School Council requires the Principal be responsible for implementation of the Uniform Policy in a manner consistent with the Student Code of Conduct.
- Arrangements can be made to supply uniforms via State Schools Relief for families experiencing economic hardship.

Evaluation:

- This policy will be reviewed as part of the school's three-year review cycle.
