Teachers will meet the children at the gate in the mornings.
- **Pick- up after school**
The staggered pick up will remain, but with the early pick up time amended to 3.15 pm

Grade 3 & 4 Students – Digital Chinese Museum Program

Our Chinese Teacher, Ms Doris Lei has booked Monday 3 August 2020 for Grade 3 & 4 students on a 45 minutes Digital Ancient China and Chinese Inventions program starting 11:30am with the Chinese Museum. It is free of charge but the Museum would love to take some photographs of the students participating in the activities so they can use some in the future promotion.

Please find the attached photography permission slip : Please return the permission slip by Thursday July 30

This digital program allows students to visit the Chinese Museum from their classroom. Learn about Emperor Qin and his Terracotta Army, inventions that emerged during the Han Dynasty and the importance of the Silk Road. Facilitated via Webex, the program features video of the Chinese Museum collection and includes a drawing activity.

Program Title: Amazing Inventions from Ancient China

Aims of the program

By the end of the program, students would have learnt about:

1. Emperor Qin and his Terracotta Army
2. Inventions that emerged during the Han Dynasty
3. Importance of the Silk Road

Curriculum links:

- History Levels 3-6: Community, Remembrance and Celebrations; Australia as a Nation
- Geography Foundation-Level 6: Geographical Concepts and Skills / Place, Space, and Interconnections
- Science Foundation-Level 10: Science Understanding / Science as a Human Endeavour
