Dear Parents/Carers,

Home Learning – Mark 2, officially starts today. This week (Thursday/Friday) is a settling in period: setting up learning spaces at home, ensuring contact details - email addresses and phone numbers are correct and picking up the Home Learning Packs if you haven't already done so.

Your teachers will be contacting you and your children today to ensure everything is working well, ready for a Monday start.

Home Learning Mark 2 will include opportunities for children to stay connected through Webex video conferences. Teachers are hoping to conduct whole class and small group face-to-face meetings using Webex.

Webex is the government endorsed platform for all Victorian schools. Families do not have to download an app or any special software. The teachers simply send you a link that will take you directly to the group meeting.

The Learning Packs and 'Morning Messages' are a **guide** to your child's learning. You and your family will use the packs in a way that will suit your individual family circumstances. Teachers have provided a range of hard-copy and on-line learning opportunities – please don't feel that your child has to complete everything provided every day – some days will run smoother than others, there will be ups and downs. Just do the best you can each day 😊

Please remember to be kind to yourselves.

The well-being of you and your family is paramount!

These are difficult and challenging times, but together we will get through this. Just remember to look for the positive things whenever you can...a child's smile is one of the most beautiful things there is...enjoy every one!

Take care and stay well,

Wendy
