

Parent Blogging Session

Tuesday 29 March @ 6pm

Next Tuesday, 29th March we would like to offer for parents a parent blogging 'how-to' session. At our information night last year many parents expressed that they would like to learn more about how to keep up to date with what we are doing online. We are only too happy to help and would love to provide this opportunity for you.

At this session, we will talk about why we see this online environment as an important classroom tool, and will show you how to access the blog as well as locate and search for information. We would also like to show you how to interact with our classroom from home by posting comments and questions on student work, activities and tasks.

No experience is required for this session, just an eagerness to learn. We will be meeting at 6pm in the Multimedia Lab at school. If you would like to attend, can you please RSVP on the attached slip so we know how many to prepare for.

If you have any questions or concerns, please don't hesitate to contact us. If you would love to attend but can't make the date, please let us know so we can see what we can organise.

Regards,

Dale Mills and Jackie Young
