Weeks 6 and 7

WOW! We are flat out at the moment with everything going on at school. Everyone is also busy practising, learning lines and organising pieces for our upcoming production. Therefore, this week's homework is quite simple. Boost your confidence and get organised by completing the following tasks.

-Mr Mills

<p>READING</p>	<p>Read for a <u>minimum of 20 minutes at least three times a week</u>. Every time you read, record the book, magazine or article and page numbers in your diary. Your diary will be checked on Friday morning, and should be signed by a parent. For something different this week, why not read a magazine or comic!</p>	
	<p>Boost your confidence Get ready to share your Prezi presentation with the rest of the grade.</p>  <p>Practise your lines for the production. Remember, you don't just need to know your lines, you need to know those that come before and after so you know your cues!</p> 	<p>Get organised Find at home any items you need to supply for your production costume.</p> <p>Ensure mum and dad are coming along to see you perform and light up the stage (in Josh's case, literally!)</p> 
	<p>Book Worm Update your reading list on the Premiers' Reading Challenge website.</p> 	<p>Make a Plan How will you get to the production by 6:15 each night? Who will pick you up afterwards? Will you have to eat dinner early? Do you have to put in your apologies to miss dancing, basketball or footy training for a week? Sit down and make a plan with mum or dad so you are ready for production week.</p>
	<p>Show'em you care Post a comment on someone else's Prezi presentation after we share them on the blog this week.</p>	<p>Revision Revise the concepts we have been learning in maths (fractions, averages) using the new games that will be posted on our blog this week.</p> 

OPTIONAL ACTIVITIES

MATHLETICS

TIP FOR THE WEEK!

<p>Optional Activities</p>	<p>Mathletics- Can you earn a bronze certificate this week in Mathletics?</p>
-----------------------------------	--

<p>This week's organisation tip is to take a break when you need one. It is important to know when to rest when you have been working hard.</p>
