Holy Week Presentations
Throughout the final week of the term the school classes will be presenting and attending the main events of Holy Week.

The times for these presentations are as follows:

Wednesday 2:00 pm — Prep classes presentation of Palm Sunday — St Andrew’s Church
Thursday 11:00 am — Year 1 & 2 classes presentation of the Last Supper — School Hall
Friday 11:00 am — Year 5 & 6 classes presentation of Good Friday — St Andrew’s Church

On the return to school on Monday 13 April the Year 3 & 4 classes will lead the Alleluia Day celebrations at 11:00 am. All children can come dressed in bright clothing on the first day of term to celebrate the Resurrection of Jesus.

Parents are most welcome to join the school at one or more of the Holy Week presentations.

The events in Vanuatu currently are distressing and tragic. Through Caritas Australia the school would like to contribute to assist the families and the children who are in need of our help. We are asking the children bring a gold coin donation on Wednesday, Thursday or Friday of next week and as we remember the Jesus’ journey through Holy Week, we can also do something tangible for the people of Vanuatu.

If you are attending one of the presentations we would encourage you to donate a gold coin to this fundraising effort.

Car Parking
Complaints are being directed at the school on a regular basis regarding the dangerous and illegal parking on both Springs and Bunney Roads. On a regular basis this is included in our newsletter but to no avail. Parking inspectors will be in attendance on a regular basis outside the school as they were on Wednesday morning to book motorists who are doing the wrong thing. One of the more dangerous practices are the vehicles double parking on Bunney Road when dropping children off at school. I would encourage parents to heed the warning and find an alternative arrangement. Numerous motorists were booked this morning and I am told by Council that this will continue on a regular basis.

In both the morning and afternoon we will commence opening the gate next to the school hall for pedestrian entry and departure. This gate will be opened at 8:30 am and be closed at 9:00 am. It will be re-opened at 2:45 pm and closed at 3:30 pm.

School Holidays
Difficult to believe that we are already writing about term holidays however it is a reality. The students will be dismissed next Friday at 2:30 pm. School resumes on Monday 13 April.

No Food Sharing Policy
Throughout this term we have held meetings with each of the families who have a child who suffers from anaphylaxis to review action plans, check on any changes to triggers, check contact details and to ensure the new class teachers and others are aware of the seriousness of the condition. We also review the school procedures that are currently in place.

One policy that changed last year was the introduction of a No Food Sharing Policy. This is a policy that was presented and ratified by the School Board. In light of this policy it is timely to remind families that the distribution of easter eggs throughout classes is not permitted.

Have a happy, safe and holy Easter Season. Enjoy the break from school and we look forward to Term 2.

Prep V

Can you believe that Term 1 is drawing to a close very quickly? It only seemed like yesterday that the Preps were walking into school for the very first time feeling nervous and anxious, yet excited at the same time.

Prep V has enjoyed the excitement of settling into school, establishing new friends as well as rekindling friendships formed in Kindergarten. We have been busy learning about the letters, high frequency words, reading and writing for the first time, counting, learning about shapes and making patterns. We also do regular activities with our Year 5 buddies. Through our Inquiry topic, we have learnt about feelings and what we do can affect those around us. We have learnt how to be the BEST learner and person we can be and how to follow in the footsteps of Jesus.

Next Wednesday 25th March, all the Prep children will be re-enacting the Palm Sunday story. This will be held in the School Church at 2.00pm. We warmly invite all parents and families to attend this lovely event.

As a Prep teacher, I know how much the students enjoy having their parents assist in the classroom. If you have a morning free to help during our learning time, you are more than welcome to help out. We also have Action Based Learning (ABL) continuing next term, so please help out when you are available. I know the parents who have already come along, have thoroughly enjoyed it and the students too! 😊

The Prep teachers are constantly updating our level blog and would love to see as many parents leaving comments on our page. The blog is a great communication tool for parents to see what their child has been doing in the classroom and to create great discussions amongst your family. The website is:

Thank you for a wonderful start to what I’m sure will be a fabulous year of learning. I hope that you all have a safe and enjoyable break and I look forward to seeing everyone refreshed and ready for Term 2 😊

Amy Van de Berg – Prep V teacher

Dear Parents,

This year marks 100 years of Anzac Day. To commemorate this event, the school will be holding a Family Night on Thursday 23rd April. This evening will include a service remembering those who fought and died in the war, followed by a picnic dinner and an activity in the children’s classrooms.

After the school holidays, a notice will go out to you with more specific information, but please leave this date free in your calendar.

Amy Van de Berg – Community Leader
**Around the Classrooms 2M**
First and foremost, I would like to welcome everyone back to St Andrew’s for 2015. In particular, I would like to welcome George and Ishita as new arrivals. You have both settled in so well and are bringing some special qualities to 2M. We are blessed to have you on board.

The focus of Term One Inquiry is getting to know ourselves and what do we value? We have spent plenty of time revisiting the BEST values of St Andrew’s and we have also begun exploring the various ways that we learn.

In Mathematics, the students in 2M have excelled in their knowledge of all topics covered so far. We have been trying as many hands-on tasks as possible to experiment and explore with Maths.

In Literacy, we are continuing with our Daily 5 program aimed at building our skills in understanding books we read and apply them in our writing and speaking. In Term One we focus on building stamina, to enable students to apply themselves to a task for extended periods of time.

The door of 2M is always open (sometimes literally, but always metaphorically) for parents and guardians to come in and help or just observe what is happening. I look forward to seeing many of you soon! Also, keep your eyes peeled for dates regarding Holy Week Presentations. The Year 2’s will be giving their account of The Last Supper.

Regards, Mr. Mills Year 2M teacher

In Year 1DW, we have been learning about the teachings of Jesus.

*We understand that Jesus shows us how to forgive.*

Dear Parents,

At our school we aim to create a safe and supportive school community for everyone through a number of initiatives in particular our School wide Positive Behaviour Management, our Gospel values that link to our BEST and our Buddy Program which aims to provide all students with peer support.

Here are our BEST values:

B – Be respectful
E- Erase teasing and Bullying
S- Start doing your Best
T – Think kindness

It is expected that these values underpin the actions and behaviours of all our students and community members.

On Friday March 20th 2015, we are joining schools across Australia to Stand Together for the National Action Day Against Bullying and Violence. Together we can make a difference so that every child can feel safe, supported and valued.

At St Andrew’s we will mark this day by doing the following activities that have been organised by the student leaders:

- Assembly for Friday 20th March
- The Assembly will take place in the school hall at 12.00 pm and all parents and friends are cordially invited to attend
- In the afternoon all students will work with their Buddies to investigate what a real life Superhero at St Andrew’s might look like.
- They will then create their own superhero that reflects the qualities we want to see in all our students.

The day is an initiative of the Australian Government and is endorsed by the Catholic Education Office. If you are interested in knowing more you can visit the official link here:

The school leaders and Student Representative Council are to be commended for their leadership and organisation of this event.

We hope you can join us on Friday.

Teresa Maio
Student Wellbeing Leader & Year 4 Teacher
Dear Parents, Teachers and Students,

We as Year 6 Leaders, are promoting awareness of Social Justice and Inclusiveness through the promotion of Our National Action Day Against Bullying.

We are selling wrist bands with the National Action Day Against Bullying Logo on them and we think it’s great because it helps to raise awareness. We ask that you kindly give your child one dollar, yes that is all it takes, to buy a wrist band, we would be grateful. The Wrist Band says, “Bullying, No Way! Take a Stand Together” We would like students to wear them to show their participation and their wish to make a difference to others.

We will be selling wristbands in front of the school hall, near the tuckshop. All proceeds from the sale will go to the victims of the Vanuatu cyclone disaster.

Kind Regards,

Year Six Social Justice and Wellbeing Captains,

Lithusha, Mariana, Jordan, Kyla, Nathan, Monica, Joshua & Rachel
