DESIGNS WITH COMPASSES

**TASK 1**

Use a pair of compasses

Use a pair of compasses to draw the circles with the measurements given.

<table>
<thead>
<tr>
<th>Radius of 3 cm</th>
<th>Radius of 2.5 cm</th>
<th>Diameter of 4 cm</th>
</tr>
</thead>
</table>

**TASK 2**

Draw patterns

Select at least two of these designs and use a pair of compasses to construct your own versions accurately.

Use your compasses to create your own patterns using circles.
