**Grade 6 History Project**

Our Year 6 students gave a presentation of their research into the history of the Nyora Community Hall at Coal Creek last Thursday evening. This was part of the Coal Creek Generational Learning Community History Project. Their speeches, research and presentation was of the very highest order and both the school and their families were very proud of them. Congratulations Chloe, Tamara, Holly and Kasey on their great work. Special thanks to Emma and the staff at Coal Creek, Ms Taylor and to our interviewee Robyn Mills.

**Football Clinic**

Our Grade 2 to 6 students attended a great footy clinic at Loch Reserve on Wednesday 7 September. They participated in eight separate skill sessions and followed up with three games. Everyone had a lot of fun. There was also a random draw with five winners receiving a new football. Congratulations to the lucky winners Jaz, Mia, Tyler, Alexia and Jack.

**Dad’s STEM Evening**

Nyora Primary held a Dad’s STEM Evening on Thursday 1st September at the school. It was well supported and a fun night for all who attended. After a sausage sizzle, the dads (and some granddads and mums) and the kids took up the challenge of building a bridge using newspaper and masking tape. There were some interesting and creative results.

In the Shoes of a Refugee...

By Kasey

I slowly open my eyes and see my mother standing right in front of me. I can’t understand what she is trying to tell me. She picks me up and runs. I hold onto her as tight as I can. I see my father behind with loaded guns right in front of him. He is on the ground. Will it be the last time I see him? My mother and I get onto the boat as fast as we can, my mother yells “GO!” As I finish these words my home is destroyed, my father is gone and we are all looking for safety.
