Mothers Day
Many thanks to all who supported our Mothers Day stall and made it such a great success. Students were able to buy some really lovely presents to give to their mums on Mothers Day. This was followed up by a wonderful Mothers Day afternoon tea with lemon slice, cake, biscuits, fruit and chocolate balls much of which was prepared by our students. Each class put on a special performance. The afternoon culminated with a performance of the Chicken Dance. What a great day!

CEP Young Leaders Day
Our Year 5 and 6 students attended a special leadership event at Korumburra Show Grounds on Wednesday 4th May. The event was sponsored by the Country Education Project (CEP) who run many programs across the state aimed at giving better education opportunities to young people in rural Victoria. Our students heard for some inspirational speakers including the CEP Young Ambassadors. They also took part in activities to help develop their public speaking and leadership skills.

CAR PARK—Pick Up
In the interests of the safety of our students, parents are reminded that 4WD vehicles should not park in the angle parking area at the front of the school. The large size of these vehicles can obscure students view of traffic causing safety concerns. These vehicles should either park across the road from the school or use the loop road in the recreation reserve. Also in the interests of student safety, all pedestrians should leave the school via the smaller pedestrian gates and not the double vehicle gates in the school driveway.

School Visitors
A reminder that all visitors to the school must report to the office. They will then be asked to “sign in” and be authorised with a Visitors Badge. They should also “sign out” before departing. This will ensure that emergency management and student and staff safety requirements are met.
