Thought for the Week
It isn't the mountains ahead to climb that wear you out; it's the pebble in your shoe.
Muhammad Ali

Students are supervised between the hours of 8.50 am and 3.45 pm

Australia’s Biggest Morning Tea
Many thanks to all who supported our Australia's Biggest Morning Tea event on Thursday 26th May. Your efforts will assist the Cancer Council in their valuable work.

Kids Dress in Yellow
Our “Dress in Yellow Day” was a fantastic success. Students came dressed in yellow and their generous support helped to raise $59.00 for the Cancer Council.

School Disco
Our school disco will be held on Friday 17th June from 6.00 to 8.00pm. DJ Wolf will be providing the music and a separate note will come home shortly with further details. It is sure to be a great night.

End of Term 2
Term 2 ends on Friday 24th June. Students will be dismissed at 2.30pm.

Working Bee
We will be having a school Working Bee on Friday 24th June 2.30 to 5.00pm (straight after school). The plan is to clean up the playground prior to the election that takes place during the holidays.

Election Day BBQ
Nyora Primary School is a Polling Booth for the 2016 Federal Election on Saturday 2nd July. We will be taking the opportunity to run an Election Day BBQ at the school. We hope to raise some extra funds for our little school. If you can help out on the day, please leave your name at the office.

 Helpers for the Loch Food and Wine Festival
We URGENTLY need helpers for the Loch Food and Wine Festival this Sunday. If you can help out at any time between 10.00 and 3.00, leave your name at the office.

Better Buddies
Wednesday 15th June is the launch of our Better Buddies program. Better Buddies is an initiative of the Alannah and Madeline Foundation that aims to promote friendly and caring environments in schools.

Personal Belongings
Toys and other personal belongings can sometimes be damaged or lost at school. Whilst the best of care is always taken to insure that loss or damage doesn't occur, personal belongings are brought to school at the owners own risk. Expensive items such as mobile phones must be handed in at the office.

CAR PARK—Pick Up
In the interests of the safety of our students, parents are reminded that 4WD vehicles should not park in the angle parking area at the front of the school. The large size of these vehicles can obscure students’ view of traffic causing safety concerns. These vehicles should either park across the road from the school or use the loop road in the recreation reserve. Also in the interests of student safety, all pedestrians should leave the school via the smaller pedestrian gates and not the double vehicle gates in the school driveway.

School Visitors
A reminder that all visitors to the school must report to the office. They will then be asked to “sign in” and be authorised with a Visitors Badge. They should also “sign out” before departing. This will ensure that emergency management and student and staff safety requirements are met.

Uniform Shop
We currently have a good supply of uniforms on hand.
Double knee track pants - sizes 6 to 14
Polo Shirts - short sleeve Gold & Navy
Windcheaters
Long Sleeve Polo - Navy only - limited to Size 6, 10 (6 of each size)
Shorts

**Auskick**
Our Nyora Auskickers had a fantastic day at the MCG last Saturday. They attended the Hawthorn v Melbourne match and played a grid game at half-time. They all played well and had a memorable day.

**Principal Lunch**
I was delighted to share a special Principal’s Lunch with seven of our students last Friday. Ethan, Declan, Ambrosia, Diezel, Jayson, Leah and Hayden had been selected in the lucky draw for our “Random Act of Kindness”. We enjoyed delicious pizza followed by a choice of ice-cream or sorbet. Yum! I am already looking forward to the next Principal’s Lunch early next term.

**Five things adults can do to keep children safe near roads**
1. Supervise children near roads
2. Hold children’s hands when crossing the road
3. Talk with children about how to safely cross the road, and practice this skill together
4. Involve children in crossing the road by asking them to help make decisions about when it is safe to cross
5. Model safe road crossing behaviour—set children a good example

If you haven’t got the Tiqbiz app on your smartphone yet, it is available at the App store or Playstore.

**Sustainability**
This term as part of their Mappen studies our students are learning about sustainability and recycling. Did you know that our school is a recycling point for printer cartridges? These can be brought to school in a plastic bag and they will be collected for recycling. Alternatively, they can be left at the post office and Archie will pass them on to us.
We also collect aluminium cans for recycling. These can be crushed and brought to school in a plastic bag and we will store them for collection.

**Newsflash!**
Our Karmai Netball A Team (Nyora, Loch and Poowong) have made it into the final of the Woorayl District Lightning Premiership. We wish them well in their final later today.

Fink
A Fink is a pet that likes to think in a sink.
If he’s not in a sink he can’t think.
And if he can’t think his brain is empty,
And if his brain is empty it rains
And the Fink does not like the rain,
And when it rains the Fink winks and drinks
And tries to think
But he can’t
Because he’s not in a sink.

CAD
A Cad likes to be mad
And sometimes glad
He is very, very bad
And he is sad
Glad, Bad, Sad
And Mad!

If a Child

If a child lives with criticism,
he learns to condemn.
If a child lives with hostility,
he learns to fight.
If a child lives with fear,
he learns to be apprehensive.

If a child lives with pity,
he learns to feel sorry for himself.
If a child lives with ridicule,
he learns to be shy.
If a child lives with jealousy,
he learns what envy is.
If a child lives with shame,
he learns to feel guilty.

If a child lives with encouragement,
he learns to be confident.
If a child lives with tolerance,
he learns to be patient.
If a child lives with praise,
he learns to be appreciative.
If a child lives with acceptance,
he learns to love.
If a child lives with approval,
he learns to like himself.

If a child lives with recognition,
he learns that it is good to have a goal.
If a child lives with sharing,
he learns about generosity.

If a child lives with honesty and fairness,
he learns what truth and justice are.

If a child lives with security,
he learns to have faith in himself and in those about him.

If a child lives with friendliness,
he learns that the world is a nice place in which to live.

If you live with serenity,
your child will live with peace of mind.
With what is your child living?
