CAR PARK — Pick Up
In the interests of the safety of our students, parents are reminded that 4WD vehicles should not park in the angle parking area at the front of the school. The large size of these vehicles can obscure students view of traffic causing safety concerns. These vehicles should either park across the road from the school or use the loop road in the recreation reserve. Also in the interests of student safety, all pedestrians should leave the school via the smaller pedestrian gates and not the double vehicle gates in the school driveway.

School Visitors
A reminder that all visitors to the school must report to the office. They will then be asked to “sign in” and be authorised with a Visitors Badge. They should also “sign out” before departing. This will ensure that emergency management and student and staff safety requirements are met.

Tiqbiz
If you haven’t got the Tiqbiz app on your smartphone yet, it is available at the App store or Playstore.

Hello, my name is Gummy Bear and this is my story. One day there was a problem at the Bear School. I was getting bullied and being called horrible names by the other bears and I didn't like it.

My friend Buddy Bear tried to help me, but the bullying got worse. Mr Ted, my teacher came along to find out what happened. I told Mr Ted, that Mohawk Bear and Andy Bear were pushing me, calling me names and swearing at me. I was very unhappy.

Andy Bear and Mohawk Bear said to the teacher, none of this happened, we were playing together nicely. They were both lying.

I said to Mr Ted the bullies were lying. Buddy Bear my friend said Gummy Bear is right that Andy Bear and Mohawk Bear were lying. They were being horrible to Gummy Bear.

Mr Ted said, "Is that true?" The bears said, "Yes."
The teacher put them on timeout for lying and bullying Gummy Bear.
The bullies learnt a lesson and never did it again. They all became the best of friends and the best buddies ever.
