There will be an assembly this Friday. Everyone is welcome. Please come along and watch award presentations and grade items and learn what is happening at Nyora P.S.

**Cross Country at Stony Creek**

What a wonderful effort from our Nyora Students at the Interschool Cross Country Championships at Stony Creek. I had the pleasure of watching and cheering on Makaela, Jack, Kalum, Charlie, Kasey, Georgia, Chloe, Tyler and Stefan who all showed great determination and persistence. Thankyou to Darlene Brown Gambetta and Sheryl Bradshaw who kindly transported children to and from the event.

The eSmart committee guides the school in the process of delivering smart, safe and responsible technology and wellbeing outcomes for all members of our community. The committee will look at bullying and cyberbullying within the eSmart school framework. If you are interested in joining this committee or you would like more information about the role you would take within this committee, could you please contact me.

**Parent Survey**

Thankyou to all parents who completed the School Survey and have returned them to school. If you still have a survey at home it is not too late to return it to school.

Car Park Safety
School car parks are busy places, especially at pick up and drop off times. Student safety is our paramount concern and students have once again been brushing up on the safest way to get out of and into the car at the beginning and end of the day. They have also spent time revising the safest way to leave and enter the school yard (via the small gate), how to use the crossing and how to cross the street safely at the pub corner. Parents can help to keep our drop off zone safer by parking large vehicles such as four wheel drives at the far end of the car park or using the ring road in the Nyora Recreation Reserve. Encourage your child to use the “Safety Door” - closest to the curb and stop, scan and check for hazards before crossing. Taking an adult’s hand is also a good habit to encourage.
