Dear Parents,

Each year, as part of the Graduation Mass, we create a simple slide show of all the graduating Year Six students. We use a few pictures captured at school in the last year to gain a sense of the primary school journey. We would also like to have a picture or two of the children when they were a little bit younger.

To help us create this piece of memorabilia, we are asking each family to do the following:-

1. Sign the form below giving permission for your child's picture(s) to be placed on the slide show for the Graduation Mass
2. Supply your class teacher with :-
 - 2.1. A baby photo of your child ... *the cuter the better!*
 - 2.2. A photo of your child around the age of 5 or 6 when they started their schooling

Please bring these images to school on a USB or email your child's photos to their classroom teacher to make this process more effective. Please cut out the permission form and return it to the classroom teacher.

The photos, and **permission form**, are needed by **Friday 13th September** to allow the time needed to create the slideshow.

Thanks for your support and understanding in this matter

Senior Unit Teachers

(N.B. If we do not receive the permission form, your child's photo(s) will not be able to be included on the slideshow.)
