

ICT TOOL OF THE WEEK!

Brainy Box!

A screenshot of the ClassTools.net website. At the top, the logo 'ClassTools.net' is displayed in red and blue text with a hammer icon. Below the logo, the text 'Welcome to BrainyBox!' is written in black. In the center, there is a glowing blue 3D illustration of a human head in profile, with a brain and a small figure inside. At the bottom of the screenshot, the text 'Click the buttons below to see how it works!' is written in white.

Brainy Box is a great new Web 2.0 Tool that allows teachers, and students, to create a simple and effective presentations online. With

Brainy Box you can...

- Add text/multimedia to an animated cube
- Use it to present or revise a key topic / person / theme
- Password-protect for later editing
- Embed into your own blog or website
- Works on iPads!
