A. Literature Circles

Remember to keep up to date with your Lit. Circles work. Please make sure you have completed all your chapter summaries and your role to a Grade 6 standard. Be aware what day you are conferencing.

B. Graduation

Make sure you are prepared for each Monday, Wednesday and Friday afternoon for Graduation practice. This week, Wednesday’s session has been moved to Thursday afternoon.

My Life poster

Attached is the information you will need to complete your ‘My Life’ poster. This is a requirement for Graduation.

C. Earn and Learn

Our annual year level Market Day is approaching on Tuesday, December 2 (in the afternoon). You will discuss in your classrooms some ideas to the stores available to be run. Attached will be some Market Day applications. These are due next Monday (Nov 24)
D. Maths

1. Mass

A regular packet of cereal has a mass of 540 g. An average serving is 45 g. Answer these questions without a calculator.

a. How many average servings are there in one packet? __________

b. There are four people in Michaela's family. Each has an average serve per day. How many days will the box last? __________

c. The largest sized box has a mass of 720 g. How long will this box last her family? __________

d. Michaela's family is going camping for 2 weeks. They need to take all their food with them. They want to take exactly the right amount of cereal. How many boxes of each size will they need to take? __________

There are 28 students in Mr Brown's class. Being the dedicated and hardworking teacher that he is, he lugs their books home to mark each week.

a. Each maths book has a mass of 550 g. He puts them all in a tote tray which has a mass of 345 g. What is the total mass he will carry to his car? __________

b. Last week he took home the spelling books in the same tote tray. The total mass was 9.445 kg. What was the mass of each spelling book? __________

c. Next week, the football starts again. There goes the marking. Mr Brown will now be sitting in the grandstand munching chips and cheering on the Mighty Blues. If he consumes four 375 g bags of chips in a particularly tense game, how much does he eat? __________

E. Writing

Re-write the following few sentences, showing the corrections in red

once up on a time their was a grade six studant whoo ran from won side off the ovel to the other this student did a cartwheal hand stand and hoped furiusly on won legge why on earth did ewe do that querreed the yard dutee teecher fynd owt next weak on the next epasode
Food Regulations

All food that has been made must be clearly labelled with all ingredients.

All food must be prepared on nut-free surfaces.

No nuts, due to allergies and anaphylactic concerns

Food must be sealed in a container or package prior to sale

Gloves or tongs must be used when handling food items

Items requiring refrigeration must be kept below 4 degrees.

Market Stall Permit

Permits will be issued for this day only - $250 per stall
(Busking permits are available for itinerant musicians, actors or street performers for $100)

Stall Holder Responsibilities

☑ The store holder must ensure that their stall and surroundings are neat and presentable.
☑ Do not use the market for any purpose other than to display and sell approved products.
☑ At the end of the day’s trading, the stall holder is required to dispose of all discarded materials.
☑ Leave the site in the condition prior to the stall being set-up.
☑ Report to the Market Manager any incident or accident to any person or property that involves loss or could be expected to give rise to a claim.

Approved Products

☑ A stall holder may only offer for sale approved products. Stall holders must submit a detailed application form that describes the proposed product/s to your site manager.
☑ The manager may cancel a stall holder’s approval to occupy a stall at the market if the merchandise offered for sale is substantially different from the approved product, is of poor quality or fails to meet the approved criteria.
☑ If food of any description whatsoever is to be sold by the vendor, then that stall holder is required to submit an application with a detailed list of ingredients to be used in the food.

Food Regulations

☑ All food that has been made must be clearly labelled with all ingredients.
☑ All food must be prepared on nut-free surfaces.

Advertising

☑ Stall holders may not erect any advertising or issue flyers without an appropriate permit.

Weather

☑ The manager will not be held responsible for any loss, damage or injury whatsoever as a result of adverse weather conditions.
☑ If the market proceeds in less than ideal conditions, it is solely at the stall holder’s discretion as to whether they will commence, continue or cease trading. However, permit fees will not be refunded.
☑ With the exception of extreme weather conditions, the stall holder must advise the site manager of their intention to cease trading and vacate the site.

Please proceed to bank to pay $250 for Market Stall Permit.
GRADE SIX GRADUATION CEREMONY-DECEMBER 15TH, 2014

Soon you will be approaching a very important time in your school life. To prepare for it you need to put together a “My Life” poster.

You need to include:

• your name
• photos of you in prep and Grade 6 (more if you like) SCAN copies if possible!
• information about your family
• major achievements
• memorable moments - camp, excursions,
• sporting events, school production, in class... friends
• teachers - grade and specialists
• what primary school has taught you
• how it has prepared you for the future (Newsagents sell good quality poster paper if you want something better than school cover paper.)

Please make sure that this work is checked well before the night. You might like to draft it first and present it to your teacher before you complete the poster.

Good luck with this very important task.
Your completed poster is due at school by Monday December 8th.

**This assignment replaces normal homework!**
