## Student Illness

We have had cases of “gastro” this last week. We appreciate your support as we put into place many measures to keep us all healthy. We are following departmental guidelines and encouraging hand washing, hand sanitizer, etc.

We thank you for your phone calls and app notifications when students are absent.

Make sure you keep your children home for at least 24hrs after the last symptoms.

## Notes from Mrs Hulonce...

**Sporting Schools** This program will start on Monday afternoon with football 3:30- 4:30. It's great that our dedicated Mr Grinstead is able to help our children lead fitter and more active lives. Thanks Mr Grinstead!

**Parent Opinion Survey** Please look out for your letter or email regarding the Parent Opinion Survey. This is completed online and is an important part of future planning and goal setting. Parents are selected to complete the survey through an electronic process and if your name comes up, we will be kindly requesting your opinion. Any questions may be directed to Tara Hulonce or Kate Mee. THANK YOU!

**Staffing** Due to an unprecedented situation, we have had some staffing shuffles this past week. We need to focus on our core business of literacy and numeracy which impacts other areas of the school when staff become ill or are injured. In response, we have temporarily halted additional programs, The Nook and LLI, to ensure we are providing top quality instruction in these areas. We look forward to returning to normal operations when staff are "back on deck."

**Grade 4 Camp** Camps are such a vital part of school curriculum enabling students to experience different environments, activities, developing skills and friendships outside the normal school setting. We are looking forward to an exciting camp in Dunkeld 22- 24<sup>th</sup> August. Please look out for letters sent home about this opportunity. We thank staff organising and parents attending this camp for their fantastic efforts in supporting our students beyond the classroom.

*Stay well and healthy everyone!*

## Getting Along Friendship

### Consider this-

How can we be a good friend?

What does a good friend do? What values do they have?

How do I want my friends to treat me?

**Talk** to everyone at home about why it is important to have friends. Ask the grown-ups to describe a time they have been a good friend, or when someone has been a good friend to them. Why was this important at the time?

# 10 Questions to Ask Your Child About Their Day at School

Get a sense of your child's life at school by asking questions that elicit more than a one-word response.

The trick is to ask about things that are specific, but still open-ended. Move beyond "fine" and "nothing" by asking your child to describe their world. It's also great to start the conversation with an anecdote from your own day. Try one of these conversation-starters:

1. Tell me about the best part of your day.
2. What was the hardest thing you had to do today?
3. Did any of your classmates do anything funny?
4. Tell me about what you read in class.
5. Who did you play with today? What did you play?
6. Do you think math [or any subject] is too easy or too hard?
7. What's the biggest difference between this year and last year?
8. What rules are different at school than our rules at home? Do you think they're fair?
9. Who did you sit with at lunch?
10. Can you show me something you learned (or did) today?
