ROCKER BMX By LOUK

Rocker BMX bikes are about having a good time with your mates, trying new stunts and going to the next level in BMX bike riding. Rocker BMX bikes are pretty much a 20inch bike shrunk down into a really small bike. This means that you can do many tricks easier because they are a lot lighter. You can get these bikes from websites online and many more places. These bikes are normally going for $100 to $250.

Quote of the week:

In this life, we have to make many choices. Some are very important choices. Some are not. Many of our choices are between good and evil. The choices we make, however, determine to a large extent our happiness or our unhappiness, because we have to live with the consequences of our choices.

If there is something that needs doing, or a charity that could do with a helping hand then you would want Miners Rest teenager James Tung aware of it.

James, 16, is a doer rather than an onlooker and if you look around his community you will see evidence of projects that he has been involved in.

James’ latest project is raising money for the McGrath Foundation by hosting a Pink Stumps Day on March 22 at the Miner’s Rest Primary School.

“On Pink Stumps Day there will just be an ongoing match of cricket so whoever turns up just jumps in and has a go, and in between we are thinking of having Mum’s Biggest Six and giving away prizes,” he said.

“I would like to thank the businesses in the Bridge Mall who have donated prizes already but we are still looking for more.”

Also on the day will be games for the ‘littlest’ as well as a host of other fun activities for the community throughout the day.

“I decided to do this just because I love cricket and I can benefit out of something that I love that’s helping other people, that’s a good thing,” James said.

“I started this off my back and I went and saw one of the mums out here and she has been really helpful and my dad has been a great support with it, as well. I play cricket for Wendouree and some of the guys will be coming out to help on the day.”

Some of James’ past accomplishments include a club for the youth of the area.

“Kids With A Voice – we started with about 3 kids and now we have 20 on board,” he said.

“We helped to get the basketball court up here and I’m currently working on dirt bike jumps.
