

YABBA DABBA

Doo!

Student voice is being used to select the Young Australian Best Book Awards winners. (YABBA)

Have you cast your votes? On Tuesday Sept 13th at 9:30am we have YABBA presenting to schools. You can find out all about how to vote and let your voice be heard. Also during the live session we'll have some surprise authors ready to say "Hi".

This will be a great session and then you can vote to tell us just what kids think are the best books. Guess who the surprise authors are going to be? Check the blog closer to the date to see which authors will be coming on line.

All participating schools will receive a free poster of the shortlisted books. Votes are due in by October 14th.
