

The Grade 5/6 Team Weekly Newsletter

This week's newsletter is proudly brought to you by Grayson and Breeanna.

What's been happening in the 5/6 Team this week?

Writing: We have been having a look at information texts this week. The information texts we wrote this week were about the game of Ga-Ga. Our information reports had to have an introduction, body and conclusion.

Maths: In maths we all had a test on Tuesday to test how well we know our maths! It was about what we have been learning this term.

Reading: In reading this week we did well... reading! Read to self, someone or the teachers. After reading we had to make a 20 word summary, or a 'Two Dollar Summary' where each word is worth ten cents! Our Two Dollar summaries were a lot shorter than the original text.

Art: In art this week we have been making some Alice in Wonderland props and also the backgrounds.

Science: In science we have been focusing on how objects change in the presence of different substances.

PE: In Phys. Ed some students have been practicing for athletics day while other students did some regular sport.

Class Meetings: This week we have talked about many items on the agenda such as: the 'Car Park', PJ day and the Alice in Wonderland production. Plans for the kiosk are going well. We will have lolly bags for \$1, bottles of water for \$2 and we will work out how much to sell juice boxes for when we know how much they will cost us to buy.

Alice in Wonderland: This week we will be having a dress rehearsal on Friday so that we will have some idea about what it will be like on the real nights. This could be interesting for us!
