**Kallista Primary School**

**A journey of discovery and learning**

See our children
- Exploring and investigating in a supportive environment
- Experiencing open-ended and challenging activities
- Learning through literacy and numeracy
- Achieving high academic standards
- Developing independence and confidence
- Incorporating digital technologies
- Expressing themselves through creative arts
- Involved in a holistic approach to healthy living through the Kitchen Garden program and Physical Education.

*A Stephanie Alexander Kitchen Garden Program School*

---

**Kallista Kindergarten**

Exploring the wonders of learning

- Four year old program operates for two 5½ hour sessions weekly
- Three year old program operates for one 4 hour session weekly
- Programs are influenced by the Reggio Emilia philosophy which gives children opportunities to investigate, explore, play and follow their own curiosity
- Children are involved in their own learning process by discussing and planning the daily activities
- Programs cater for a wide spectrum of individual needs

---

**Kallista Community House**

Occasional Care Program:
- Tuesdays and Thursdays 9.00am-2.00pm
- Playgroup: Mondays 10.00am-12.00pm

Providing opportunities for children to experience a wide range of activities that will enhance and facilitate their development, create enthusiasm for learning & foster a sense of enquiry about the world in which they live.
