Dear Parents,

Next week is Education Week. Please note the activities that are planned below and tell others about our information sessions for 2014 enrolments. Mrs Stone is planning a come and try session for prospective students during the Information Session on Thursday. Please pass on to friends and neighbours that all children are welcome even if they haven’t made a final decision on the school their child will be attending. We are very proud of the opportunities we can offer at our small and caring school and look forward to showcasing that.

Thank you to the parents who worked on the Mother’s Day stall. The students were very excited and we hope you all enjoyed your gifts. Thanks also to everyone who came along and supported our students at the cross country. It was very successful and everyone had a great time. Thanks to the teachers and Mrs Brunswick for organising the day.

Working with Children’s Checks
A reminder that it is school council policy that all volunteers have a current Working With Children’s Check. We value all the work that our volunteers do at the school and are happy to pay for the compulsory photos. Forms are available at the office and can be lodged at the Eaglehawk P.O. Thank you

Enjoy the rest of the week

SIGNING CHILDREN IN AND/OR OUT
Parents or emergency contacts are required to sign their children in and/or out by first visiting the Office to fill in a “Sign out/in” form. This form is then taken to the teacher and they will mark their roll accordingly.

Tomorrow, Friday 17th May we would like your child to bring their first teddy that they were given when they were a baby. Can you please bring them to school for Bring Your First Teddy To School Day. I have put the roster for the garden duties on the calendar for the whole term. This is the only time you will be asked to do one hour of gardening for the year. It’s not just gardening…..it can be as simple as sweeping paths, de-cobwebbing, painting, weeding….there is always something small (or big) to be done.
