Malmsbury Primary School works co-operatively to enhance the academic, social, physical and emotional wellbeing of all students by providing an environment which encourages sharing, learning and growing within a global community.

We believe that everyone has the right to feel safe, happy and to embrace a culture of wellbeing and courage that celebrates difference.

We work hard to provide an orderly learning environment to support school improvement in all areas.

To support our students to be the best they can be we offer...
- Outside School Hours Care (OSHC)
- Literacy Support
- Music Program
- Art Program
- Performing Arts
- French Program
- Student Leadership Program
- Regular incursions and excursions
- Camps for every year level
- Working in and with our Community Program
- Literacy and Numeracy Blocks
- Blueearth Sport Program
- Malmsbury Environmental Action League
- Solving the Jigsaw Program
- You Can Do It Program
- Playgroup

Our School

We are dedicated to inspiring young children to become passionate about their future and that of their community. Our school values of Respect, Responsibility, Honesty and Inclusiveness are important guidelines in all that we do. Our school is designed to create opportunities for leadership, strength and personal growth through the power of education. We offer a myriad of learning opportunities for our students using the tools of exploration, inquiry, instruction and experience, so they are numerate, articulate and socially, economically and ecologically confident by the time they graduate.

Our aspiration is to continue our tradition of educational excellence and to expand our school spirit, both practically and socially into the wider community.

Extra-curricular Enrichment

Our school provides an outstanding Music, Art and French program. Each year, students have the opportunity to submit their works of art in Art Festivals. Perform music at the Kennyon Ballad and local Art Shows. Perform music at the Kennyon Ballad and French Festivals in the French Preparatory 5/6 Students will travel to Melbourne to participate in the Bente Mouche French Arts Festival and later this year the Grade 5/6 students will travel to Sydney and Melbourne to participate in the Viva Latina Festival. Students have the opportunity to display their skills within the wider community.

Poetry Competition

To complement the participation in the Bente Mouche French Arts Festival and later this year the Grade 5/6 students will travel to Melbourne to participate in the Bente Mouche French Arts Festival. Students have the opportunity to display their skills within the wider community.
