DIRECTIONS

- Write down some times for Saturday and Sunday in the 'Time' column. Include times in which you have commitments or could complete some homework or reading, for example, 12pm, 1pm, 2pm etc.
- Record all of your weekly commitments eg. basketball training, swimming lessons etc.
- Record any other commitments which affect you eg. time you eat dinner and go to bed etc.
- HIGHLIGHT and record the times available for your homework...
 - Aim for up to 1 and 1/2 hours of homework each week. This time includes your weekly homework sheet and your own practise of your times tables and spelling or handwriting.
 - Aim for 3 and 1/2 hours of reading per week. How you allocate this is up to you. You might like to timetable 30 minutes each day or you could read for a longer period but only a few days a week.
