KANGA CRICKET
On Monday some of our grade 3/4 students travelled to Wonthaggi Recreation Reserve to participate in the Kanga 6’s Cricket Competition. Our five teams displayed excellent teamwork and sportsmanship ensuring a great day was had by all.

5/6 GIRLS BASKETBALL
Last Thursday the grade 5/6 girls basketball team competed in the division final against St. Josephs Primary School in San Remo. The girls worked well together and in the end were defeated by St. Joseph’s 8—21. We were very proud of all the students’ commitment and effort on the day. Thank you to Kylie and Anthea for your work with the girls and transportation on the day.

DISTRICT SOFTBALL
Tomorrow we have a 5/6 girls team and a 5/6 boys team taking part in the District Softball day at the Bass Recreation Reserve. Students are eagerly awaiting the day of competition. Students need to wear the appropriate correct school uniform, sports shoes, hat, sunscreen and a packed lunch and drinks on the day. Sausages for $2 and zooper doopers for $1 will be available to purchase. Parents and spectators are encouraged to come along. Competition begins at 10am.

KINDER KIDS VISIT
The ILM Kinder children visited Mrs Grummisch’s classroom this week on Tuesday morning, accompanied by Annette and Di. They had fun completing activities about koalas and are seen playing a game on the interactive whiteboard in the attached photo.

DUCKLOTTO UPDATE
Only 4 weeks to go!! Some more great donations have arrived from our local businesses including Gift Vouchers from the Kernot Food Store, Grantville Pantry and Hot Chic Charcoal Chicken. There are still more donations to come so stay tuned. Any guesses on who will be jumping in the pool as our “Plucka Duck”????? We will be selling ducklotto tickets after school as of Monday 26th October. Don’t miss your chance of buying the winning duck!!

WORKING BEE
A big thank you to Andrew Dakin for providing his heavy equipment at our working bee last Saturday and levelling the bank in the swimming pool area. Ann and Gavin Ricardo built some more boxes for the vegetable garden while Kylie Hakim with Ashton and Isabelle, Jo Peacock and Craig Liefting did some raking and clearing of dry matter around the playground. It all helps to make our school grounds a safer environment for the students so thank you all for your help.

EVERY PUPIL IS IMPORTANT
EVERY STAFF MEMBER IS AN ASSET
EVERY PARENT IS A PARTNER
WESTERNPORT WATER POSTER COMPETITION
To celebrate National Water Week some of our students created posters featuring water related issues that are important to them and entered them in the above competition through Mrs Brown in the Art Room. All students who entered posters received a certificate of participation. This week we were advised that Sienna Hughes won the Grade 3&4 category for this area and Diesel Davis was runner-up in the 3&4 category. They are pictured below with Mrs Brown and their prizes.

CASE OF SCABIES
We have had a report of one of our students having scabies. Scabies is an infestation of the skin caused by the scabies mite. The mite is very tiny, .2mm—.4mm long, and cannot easily be seen without magnification. It occurs worldwide and in all races and social classes. Scabies is not an indication of poor hygiene. Scabies is usually transmitted by direct skin-to-skin contact,. Scabies mites cause intense itching, especially at night. Diagnosis needs to be confirmed by a doctor and treatment needs to be prescribed by a doctor.

LOST PROPERTY
One of our Ready, Set, Go students has lost a Skylanders orange metal drink bottle from the R.S.G. room. It has the initials JB on the bottom of it. Please check that your child/ren have not brought this item home accidentally. A reminder to everyone to please name all items such as drink bottles, lunch boxes etc. and clothing/hats etc. especially with swimming and hot weather coming up and students changing clothes.

BIRTHDAYS AT BASS VALLEY

WONTHAGGI SECONDARY COLLEGE OPEN DAY
